10 department financial report.

11 MR. NOTARI: I'll make that motion.

12 MR. RUSSELL RINALDI: By Councilman
13 Notari.

14 MR. BUTLER: Second.

15 MR. RUSSELL RINALDI: Seconded by

10 MR. LETTIERI: I'll make that

11 motion.

12 MR. RUSSELL RINALDI: By Councilman

13 Lettieri.

14 MR. NOTARI: I'll second it.

15 MR. RUSSELL RINALDI: Seconded by
16 Councilman Notari. On the question? Public
17 input? Roll call, please.

18 MS. BARTOLETTI: Councilwoman

19 Avvisato?

20 MS. AVVISATO: Yes.

21 MS. BARTOLETTI: Councilman Butler?

22 MR. BUTLER: Yes.

23 MS. BARTOLETTI: Councilman Hoover?

24 MR. HOOVER: Yes.

25 MS. BARTOLETTI: Councilman

1 Lettieri?

2 MR. LETTIERI: Yes.

3 MS. BARTOLETTI: Councilman Notari?

4 MR. NOTARI: Yes.

5 MS. BARTOLETTI: Councilman Rinaldi?

6 MR. RUSSELL RINALDI: Yes. We'll go
7 to our department heads. Our first is our
8 DPW manager. Mr. Lenceski is absent this
9 evening, but we all have his report. If you
10 have any question we can e-mail or call him
11 tomorrow.

12 Second is our code
13 enforcement/zoning officer. We also have
14 his report. He is also absent this evening.
15 Same thing. If you have any questions you
16 can e-mail him or call him tomorrow.

17 Third would be our engineer's
18 report, Dave Lopatka. Dave, anything to add
19 to the report?

20 MR. LOPATKA: Nothing to add.

21 MR. RUSSELL RINALDI: Anybody have
22 questions for the engineer?

23 MR. HOOVER: What's left with the
24 building?

25 MR. LOPATKA: The elevator company

1 was there today to check and see if they can
2 get L&I, labor and industry, to approve it.
3 Other than that, I mean, they have to come
4 back in the springtime and put topsoil down
5 and seed. I'm actually going to go through
6 one more time with D&M just to verify a few
7 punch list items.

8 But the elevator is really the only
9 thing. He was there today, the company was
10 there today. I think they have everything
11 they need. They have to get L&I there.
12 They schedule that, the elevator company.

13 MR. NOTARI: The quicker they
14 schedule that the better we'd be.

15 MR. LOPATKA: Well, he was there
16 today. I talked to him. He said he'll get
17 it.

18 MR. NOTARI: Once the elevator's
19 complete, Mare, we'll start moving back
20 over?

21 MS. BARTOLETTI: Pretty much, yeah.
22 There's just a couple little things not done
23 inside the building. A couple of touch ups
24 in a couple areas that just aren't up to
25 where they should be. Once those things are

1 done we'll be ready to move.

2 MS. AVVISATO: It's beautiful.

3 MR. RUSSELL RINALDI: It does look
4 really good.

5 MR. NOTARI: Dave, the dugouts. Can
6 we get those documents done so we can --

7 MR. LOPATKA: Everything's done on
8 those. I'm getting the spec together.

9 MR. NOTARI: Have it out to bid and
10 maybe in March get it completed?

11 MR. LOPATKA: Actually, I'm getting
12 the bid docs together.

13 MR. NOTARI: If we can approve the
14 bids at the next meeting that would be
15 great.

16 MR. LOPATKA: I don't know if it
17 will be the next meeting. Let me see where
18 it's at. If I can get it out within the
19 next two weeks we can maybe have bids for
20 the next meeting.

21 MR. RUSSELL RINALDI: Anyone else
22 have any questions for Dave? Thanks, Dave.

23 Chief Dubernas, we have the police
24 report. Anything to add? Anybody have any
25 questions for the chief?

1 MS. AVVISATO: Good job with the
2 report.

3 MR. NOTARI: Chief, I read the
4 report. It's very detailed. I like how we
5 work with Taylor a lot. Any thoughts of a
6 regional police force? What do you think
7 about that? It was in the paper today about
8 Clarks Summit and their neighboring
9 communities. I know down in West Pittston
10 they're going to do that. Do you think that
11 would help us with -- not attracting more
12 police officers but --

13 CHEF DUBERNAS: Sure it would.
14 There wouldn't be no more part-time.
15 Everyone would be full time. Back in 2002,
16 2003 I know they tried to bring in with Old
17 Forge, Moosic, Taylor, Duryea and Avoca, the
18 lower Lackawanna, and it fell through back
19 then. I'm not sure where it's going to go.
20 But something has to change because you just
21 don't see the amount of people we used to
22 see apply for jobs anymore.

23 MR. NOTARI: Okay. I just wanted to
24 get your thoughts and opinion on it.
25 Obviously, you run our department, so if

1 that was something we ever needed to look
2 into you'd have to be on board with us, I
3 think.

4 Did we take care of the truck
5 jackknifed on Connell Street?

6 CHIEF DUBERNAS: Yes.

7 MR. NOTARI: Where was the guy
8 going?

9 CHIEF DUBERNAS: Pittston. That's
10 the problem. He followed the GPS. That's
11 not classified as a non-commercial vehicle
12 roadway, so it said for him to make the next
13 right hand turn. He put it up on top of the
14 guardrail. He's lucky the trailer was empty
15 and it didn't go over on him.

16 MR. NOTARI: Should we, can we
17 classify those roads as non-commercial?

18 CHIEF DUBERNAS: I don't know how
19 they do that. That's a regular borough road
20 coming off a state road. Yesterday we had
21 one, too. The guy pinned it up against the
22 utility pole trying to turn Miles Street.
23 Usually it's the opposite way.

24 MR. RUSSELL RINALDI: He was making
25 a left from Main onto Miles. Right?

1 CHIEF DUBERNAS: Yes.

2 MR. RUSSELL RINALDI: Anyone else
3 have any questions for the chief? Thanks,
4 Chief.

5 Assistant Fire Chief Stull. We have
6 your report. Anything to add?

7 MR. STULL: No, nothing else.

8 MR. RUSSELL RINALDI: Great job the
9 other night again on the fire on Oak Street.
10 How is the fireman?

11 MR. STULL: Good. He was released
12 the next day. It came down that he had
13 cyanide poisoning. When he was inside the
14 structure he got turned around to come back
15 out and his face piece hit the staircase
16 going in. When he went to put it back on he
17 took in too much smoke. By the time he got
18 outside he fell.

19 MR. RUSSELL RINALDI: But he's doing
20 better?

21 MR. STULL: Yes.

22 MR. RUSSELL RINALDI: Anything to
23 add to the report?

24 MR. STULL: No, nothing.

25 MR. RUSSELL RINALDI: Anyone have

1 any questions for the assistant fire chief?

2 Thanks, Bill.

3 Attorney Rinaldi, solicitor's
4 report?

5 ATTY. RINALDI: The only thing to
6 add is the district is going to purchase the
7 property. We will get it in front of the
8 planning commission and then back to council
9 to re-approve the subdivision so we can
10 close on that sale.

11 I did look at the deed for that
12 Lawrence Street property and there's no
13 access easement. He just bought the parcel
14 that fronts on Lawrence Street. So his
15 access is Lawrence Street.

16 MR. RUSSELL RINALDI: The old Ray's?

17 ATTY. RINALDI: Yes.

18 MR. NOTARI: So that driveway is
19 Insalaco's?

20 ATTY. RINALDI: It is Insalaco's,
21 whatever he uses it for there. But Rossi
22 didn't -- I checked two deeds back. There
23 was nothing with the easement for it.

24 MR. NOTARI: So basically if there's
25 going to be truck traffic there they can

1 prevent it from going Main Street. They'd
2 have to go to Grace to Lawrence.

3 ATTY. RINALDI: Right.

4 MR. NOTARI: That will be fun.

5 MR. LETTIERI: That will be a
6 nightmare.

7 MR. RUSSELL RINALDI: Anything else?

8 ATTY. RINALDI: No.

9 MR. RUSSELL RINALDI: Anybody have
10 any questions for the solicitor? Thanks,
11 Bill.

12 Marylynn, borough manager's report?

13 MS. BARTOLETTI: Anyone have
14 questions for me on any of the financial
15 reports? We don't have much tonight. I
16 just wanted to talk about the building. We
17 are ready. The staff is ready to move. A
18 lot of the furniture is either in the
19 building or on hold at some of the places
20 that we bought it from. For the most part
21 it's actually ready to come into the
22 building. Anything that has to be
23 assembled, that was included in the pricing,
24 that once we're ready they bring it right in
25 the building and assemble it in the offices

1 it needs to go in. So we're ready. Just
2 the last couple things we need to get under
3 control.

4 MR. RUSSELL RINALDI: Good news.
5 Sounds good. Anybody have any questions for
6 the borough manager? Thanks, Marylynn.

7 Before we go into new business I'll
8 go to public comment. Dave Marhelski?

9 MR. MARHELSKI: Borough engineer, I
10 was wondering if there's any cost analysis
11 or if and when that with the storm drains is
12 going to be done or could be done?

13 MR. LOPATKA: I will have something
14 for the next meeting.

15 MR. MARHELSKI: Well, I would hope
16 so. No disrespect, I've been asking this
17 for six months.

18 MR. RUSSELL RINALDI: You're talking
19 about the spot on Keyser Avenue?

20 MR. LOPATKA: Yes.

21 MR. RUSSELL RINALDI: I also think
22 that Joseph Lenceski, the DPW manager, was
23 working on something as well. We'll check
24 with him tomorrow. I know we have to get it
25 from the engineer first, but I know Joe was

1 going out to look at it as well. I think he
2 mentioned something about it in November or
3 December.

4 MR. MARHELSKI: Also, Austin
5 Heights. Now, I'd like to know how certain
6 individuals can get away with adding on to
7 properties that by code, from what I see,
8 don't jive. I mean, I talked to Chris, and
9 no disrespect to him, but you guys need to
10 take a ride up Austin Heights and look at
11 Saint Stanislaus hall. It's a shit hole.

12 MR. RUSSELL RINALDI: The old
13 catering hall?

14 MR. MARHELSKI: Yeah. How could you
15 put a monstrosity on that? Tractor-trailer
16 parked there. He has tractor-trailers
17 parked all over town here. Can I park a
18 tractor-trailer in my yard? Anything I do
19 to my house I got to get a permit. You all
20 need take a ride up there, what it's turning
21 into. If you're not going to upkeep the
22 property or enforce patrols or update your
23 property you got to do something. That
24 monstrosity over on Franklin Street, at one
25 time that apartment was one only five

1 apartments. I don't know how many are in
2 there now. How do you get to go in there
3 and assess this? That property's been
4 there -- my mother came here in 1945 and
5 that property was there then, and he keeps
6 adding on, adding on. You're telling me you
7 can put a four by four on top of a railing
8 and just keep adding on all over the place?

9 MR. RUSSELL RINALDI: I'll take a
10 ride, but we'll also ask Marylynn to send
11 the zoning officer up there. She'll send
12 him up.

13 MR. NOTARI: Saint Stanislaus is a
14 mess. You either got to come up with some
15 kind of ordinance that you're going to fine
16 these people day after day. I grew up in
17 the heights my whole life. What it's
18 turning into now, it's a disgrace.

19 MR. RUSSELL RINALDI: We'll send
20 Chris up to both properties.

21 MR. MARHELSKI: As a taxpayer you
22 represent me. You have to put a stop to
23 this. The guy's out of control and does
24 what he wants to do.

25 MR. RUSSELL RINALDI: When I say

1 we'll send him up I don't mean that it's not
2 our problem. I mean that the code
3 enforcement officer, he's the only one with
4 legal authority. That's all I mean. We
5 don't have legal authority to fine anyone.
6 When he brings it before us, if there's an
7 issue, then we can vote on it. But he's the
8 one who has to start it and do the process,
9 go through the paperwork. But, I mean,
10 that's not saying us who sit up here -- and
11 I speak for all of us. We all care about
12 that property and any property within the
13 borough of Old Forge.

14 Like I said, when I said I'd send
15 Chris up there or ask Marylynn to send him
16 up, that's the legal way we have to do it.
17 We'll get on top of it, though.

18 MR. STULL: He was trying to put --
19 the roof in the back of that building was
20 leaking. So instead of just covering the
21 roof, he tried to get away with putting a
22 slanted roof on the back, trying to put
23 apartments in there. This is when Steve was
24 on code enforcement. Steve did have that
25 project shut down. That's why it's left the

1 way it is now. He kind of walked away from
2 it. He couldn't get an apartment put up he
3 was trying to do.

4 MR. RUSSEL RINALDI: Is this on top
5 of Saint Stanislaus?

6 MR. STULL: Yes. He was trying to
7 get away with putting it up there but we
8 caught him doing it. Steve went up there
9 and put the stop order on so he couldn't do
10 any more.

11 MR. RUSSELL RINALDI: So it's been
12 that way ever since. Like I said, we'll
13 send Chris up there as well and see if
14 there's anything that legally we have to
15 make him do, because if there is we'll make
16 him do it.

17 MR. STULL: The back side should be
18 demolished. The whole section of that wall
19 is completely gone.

20 MR. RUSSELL RINALDI: He's coming
21 back to work tomorrow. We'll send him up
22 this week. Anything else?

23 MR. MARHELSKI: No, that's it.

24 MR. RUSSELL RINALDI: Thanks. Bob
25 Hughes?

1 MR. HUGHES: Good evening, council.
2 I just want to let you know I have a body
3 camera, it's being recorded. If you have
4 any problems let me know, I'll turn it off.

5 MR. RUSSELL RINALDI: Okay.

6 MR. HUGHES: What's going on with
7 the Stocki property over there?

8 MR. RUSSELL RINALDI: As far as?

9 MR. HUGHES: Well, all them
10 machineries and everything that was there.
11 I complained about it and you said --
12 officer said that Stocki was renting it out
13 to Casey-Kasa, and when they went to court
14 it wasn't even brought up. As far as I'm
15 concerned, he goes before the zoning and
16 they get zoning approval how can you rent
17 the property out?

18 MR. RUSSELL RINALDI: Are you
19 talking about the property on top or on
20 bottom?

21 MR. HUGHES: On top, were he parked
22 all the trucks.

23 MR. RUSSELL RINALDI: Walter Stocki,
24 I don't think, owns that property.

25 MR. HUGHES: According to his worker

1 Walter was renting to Casey-Kasa with the
2 machines.

3 ATTY. RINALDI: You say the top one.
4 Which one? Where they were piling stuff and
5 we reported them? With the fill coming in?

6 MR. RUSSELL RINALDI: To the left of
7 the Diamond Club, up top? If you're looking
8 at it, to the left?

9 MR. HUGHES: Yes.

10 ATTY. RINALDI: We have two, maybe
11 three hearings coming up on that.

12 MR. HUGHES: The next thing I want
13 to know, what's going on with the palm place
14 down there in Old Forge? The palm reader on
15 South Main Street.

16 MR. RUSSELL RINALDI: The one with
17 the trailers in the back yard? I'm pretty
18 sure --

19 MS. AVVISATO: I think they were
20 cleaned out.

21 MR. HUGHES: It's not cleaned out.

22 MR. RUSSELL RINALDI: There was a
23 few things cleaned out there, I'm pretty
24 sure. I'm sure there was one or two things
25 cleared out there. Chris got in touch with

1 the owner back in September. I think he
2 said the owner was from Jersey.

3 MR. HUGHES: He did say that.

4 MR. RUSSELL RINALDI: I think he was
5 in the process of having him clean it out.
6 But we'll check with Chris again when he
7 gets back tomorrow. I'll call him myself or
8 I'll have Marylynn ask him.

9 MR. HUGHES: One question I have for
10 you, when the zoning permits were being
11 issued do they have numbers on them that --
12 in other words, numbers on them that keep
13 track of the zoning permit?

14 MR. RUSSELL RINALDI: Yes. There's
15 a name, there's a number, an amount, there's
16 an address.

17 MR. HUGHES: And the date that they
18 get it?

19 MR. RUSSELL RINALDI: Yes. There's
20 a list of all them all the time.

21 MR. HUGHES: I brought it up about a
22 certain party on South Main Street that
23 built a shed within three days. I asked the
24 zoning officer if he knew anything about it,
25 he said he was going to go down there. I'd

1 like to know what happened.

2 MR. RUSSELL RINALDI: Do you have
3 the address to the property?

4 MR. HUGHES: 945 South Main Street.

5 MR. RUSSELL RINALDI: And you're
6 looking for a shed permit?

7 MR. HUGHES: They built the shed
8 within three days.

9 MR. RUSSELL RINALDI: So you're
10 looking to see the shed permit?

11 MR. HUGHES: Absolutely.

12 MR. RUSSELL RINALDI: They
13 absolutely would need one. I'm just asking
14 if that's what you're looking for.

15 MR. HUGHES: Yes.

16 MR. RUSSELL RINALDI: We'll give it
17 to Chris.

18 MR. HUGHES: One more thing. When I
19 brought up about putting grass in the
20 garbage bags Sandy, back there, screamed at
21 me and says you couldn't do it. You have to
22 get bins. I called the other day, the
23 borough building, to try to get recyclable
24 bins and they said they didn't have them.

25 MS. BARTOLETTI: We have grass bins.

1 We don't have blue bins right now. We have
2 grass, we have paper. Right now they're
3 starting a waiting list for anybody who
4 needs blue ones because we're out of those.
5 If you need anything else just call tomorrow
6 and we'll take care of what you're needing.
7 Because of the weather and because of the
8 borough building right now we don't have any
9 at the building. They're at the DPW garage.
10 As we need them we'll have DPW bring them
11 over. Tomorrow give me a call.

12 MR. HUGHES: What's going on with
13 the borough building?

14 MR. RUSSELL RINALDI: When is it
15 going to be completed? We got about another
16 three weeks to a month.

17 MR. HUGHES: Wasn't that supposed to
18 be built beforehand?

19 MR. RUSSELL RINALDI: You mean was
20 it supposed to be done sooner? It was, but
21 between Covid and supplies and materials --

22 MR. HUGHES: Is that costing the
23 borough more money?

24 MS. BARTOLETTI: No.

25 MR. HUGHES: No taxpayers or

1 nothing? That's all I have. Thank you.

2 MR. RUSSELL RINALDI: John Jurowski?

3 MR. JUROWSKI: Once again, we're not
4 happy on our street. I'll tell you two
5 instances. One, they had a tow truck
6 blocking Butler Street for 45 minutes. They
7 had cars all lined up. It's a mess. So
8 that went by.

9 So about three weeks ago they had
10 the Garber Street -- a wrecker on Garber
11 Street. I was coming home and I couldn't
12 get around. I asked the driver to pull up,
13 I pulled up and I parked the car and I went
14 down. It was a disaster. So I'm trying to
15 calm everybody down.

16 Then the cop pulls up -- and George
17 Sworen's wife called the cops. So the cop
18 comes up and yells at -- who called the
19 cops, and George Sworen's wife says I did,
20 and started yelling in front of all -- in
21 front of these kids.

22 MS. AVVISATO: Who is he?

23 MR. JUROWSKI: The cop. I'm not
24 sure who the cop was. But he was yelling at
25 George Sworen's wife that why did she call

1 the cops, give these kids a break. These
2 kids listened to this cop yell at the wife.
3 If that was my wife I think I probably would
4 have been in jail.

5 Then two days later whatever cop it
6 was gives George Sworen's son a ticket
7 because his wheels were on the sidewalk.
8 But you go over there now they're blocking
9 the sidewalk, and you got a junk car with no
10 license and no inspection parking the wrong
11 way of the street for the past week and
12 nobody does anything. You got a Nissan
13 who's been there for three months, okay, and
14 then they told me it is broke down. Fine,
15 but broke down is 72 hours.

16 So I had a long talk with these
17 kids. Look, I'm trying to make peace, and
18 we do not want these kids to move, whoever
19 brought that up. All I asked these kids,
20 please abide by the zoning laws. Respect
21 the neighborhood and abide by the zoning
22 laws. I heard you're moving? He goes we're
23 not going nowhere. So whoever gave that
24 idea they were moving, they're not going to
25 move. He told me not going to move. He

1 goes he appreciates me talking to him nice.
2 For a half-hour we were talking nice. You
3 have to abide by the zoning laws. You can't
4 park junk cars on the street. You can't
5 deliver a junk car on the street. That's
6 the zoning laws. That's the laws of this
7 town. Abide by them.

8 Then you go to all these other
9 garages, either Billy's or Schuback's,
10 they're not using the street. This guy's
11 been using the street, and the question is
12 why? It's a residential neighborhood, and
13 right now there's a junk car with no tags
14 and no inspection parked the wrong way on
15 the street for the past week. There's all
16 snow on top of the car. And why is it
17 parked on a borough street?

18 MR. RUSSELL RINALDI: You said a lot
19 of things about a couple different issues.
20 We spoke with the chief. The chief is going
21 to be in contact with those tow truck
22 drivers that he's having drop off --

23 CHIEF DUBERNAS: I spoke with
24 Kelly's. The owner actually spoke to
25 Mrs. Sworen, and he said when he's going to

1 deliver a car here he's going to let them
2 know and she's supposed to let them drop the
3 car in front of their house so he can park
4 on that side of the road, the whole left
5 side.

6 MR. RUSSELL RINALDI: Without
7 blocking the street.

8 MR. JUROWSKI: We agreed to that.

9 MR. RUSSELL RINALDI: Well, we're
10 doing it according to the law.

11 Number two, the cars, we just spoke
12 to the chief before the meeting. There was
13 at least five tickets written out in the
14 past four, five days. A few of those cars
15 have gotten tickets on them. Also, though,
16 there's been a lot of cars ticketed
17 throughout the borough, the chief said, as
18 well because there was a lot of cars parked
19 illegally a week or two throughout the whole
20 borough. But specifically that area, that
21 street and the garage area you're talking,
22 they were ticketed.

23 Number three, the borough council,
24 the police chief, our solicitor, our borough
25 manager and our zoning officer are setting

1 up a meeting with the landlord and the
2 garage tenants, I would say. Not the owner
3 because that's the landlord. We're going to
4 have a meeting with them and we're going to
5 discuss and explain to them -- we're going
6 to get a list from the zoning officer. If
7 they are doing -- don't take this the wrong
8 way. If and what they are doing wrong, if
9 and what codes they're breaking, and we're
10 going to make them aware that they have to
11 follow this code, this law that they're not
12 or there's going to be consequences.

13 After that, council also agreed that
14 we're going to meet with the same members of
15 council, our solicitor, our chief of police,
16 our zoning officer, our borough manager and
17 a group of whatever neighbors would like to
18 come to the meeting as well. We'll let you
19 know what happened in our first meeting with
20 them, and then we're going to meet with you
21 guys as well.

22 MR. PETTINATO: There was a picture
23 sent to some of you, I think, of the quad on
24 top of the roof.

25 MR. RUSSELL RINALDI: We sent it to

1 the chief.

2 MR. PETTINATO: My understanding was
3 he drove from Pittston that way. Again, I
4 didn't see that, but that's what I was told
5 in conversation. That's the exact kind of
6 thing that we're talking about. So if
7 something like that causes an accident, then
8 everybody up there is going to end up
9 looking bad.

10 MR. RUSSELL RINALDI: I couldn't
11 agree with you more. I can only speak for
12 myself, but I think everyone up here would
13 agree with me whether that quad was put on
14 that car and driven here like that, that's
15 insane. Whether it was just parked there
16 and they just put it on top of there for
17 some -- whatever reason. I don't know why.
18 I think that's insane.

19 MR. PETTINATO: I don't care what
20 kind of people they are -- I do in a certain
21 respect. The problem is that can't -- are
22 they following the rules. Were they led to
23 believe that whatever they can do it will be
24 okay.

25 MR. RUSSELL RINALDI: I don't know

1 what they were led to believe. They have to
2 go according to the zoning code.

3 MR. PETTINATO: It shows disregard
4 for the people around. I'm not sure what
5 kind of people do that, whether they're good
6 people or bad people. I think most people
7 would agree good people don't show
8 disrespect for their neighbors by parking
9 their quad on top of a car.

10 MR. RUSSELL RINALDI: I agree with
11 you a hundred percent.

12 MR. PETTINATO: A quad rolled across
13 the street there once and somebody found it
14 out there, like, about 35 minutes. They
15 lied to the police and said only three. It
16 was out there, according to our neighbors,
17 who I had no reason to mistrust, for quite a
18 while. That's the kind of thing that we're
19 talking about, and it has been a continual
20 thing that probably, we're told, was going
21 to be taken care of and has not yet been
22 taken care of, and that leads to the -- some
23 of the unpleasantness and the outbursts
24 because everybody's tired of it.

25 MR. JUROWSKI: I asked the kids,

1 okay, look up the zoning laws and obey the
2 zoning laws. That's all we want. Okay?
3 The neighbors are actually afraid of these
4 kids. Okay? The neighbor across the street
5 is scared shitless of these kids. This town
6 shouldn't be like that. People are afraid
7 of these kids. There's, like, a gang.
8 That's wrong. If they abide by the zoning
9 laws you won't see me again. That's all
10 we're asking.

11 MR. RUSSELL RINALDI: That's going
12 to be the point and the topic of our meeting
13 when we have it with them. We're going to
14 remind them.

15 MR. PETTINATO: It used to be said
16 Old Forge protected its own. I can tell you
17 right now we don't feel like the taxpayers
18 and the people that grew up in Old Forge,
19 that we're protected. Words get exchanged
20 with those people. There's been things said
21 to some of the wives that shouldn't be said.
22 It doesn't seem like Old Forge is taking
23 care of its own. That's all I have to say.

24 MR. RUSSELL RINALDI: Chief, any
25 answer on that quad on top of that roof?

1 CHIEF DUBERNAS: When they got there
2 the car -- the quad was gone off the car.
3 But they got there 15, 20 minutes later.
4 They were dealing with another incident. I
5 sent them the picture. Here, this is there.
6 They got there and it was not there. It was
7 gone. I don't know if they put that on
8 there. That was ludicrous.

9 MR. RUSSELL RINALDI: I agree. I'm
10 going to ask them about it during the
11 meeting because I'm curious. Anything else?

12 MR. JUROWSKI: We'll talk next week.

13 MR. RUSSELL RINALDI: There's nobody
14 left from the public to speak? Okay, we're
15 going to move into new business.

16 The first item under new business is
17 a motion to approve the D&M payment
18 application 14. Dave, do you have the
19 amount?

20 MS. BARTOLETTI: It's \$22,365.88.

21 MR. RUSSELL RINALDI: Motion to
22 approve that payment?

23 MS. AVVISATO: I'll make that
24 motion.

25 MR. RUSSELL RINALDI: By

1 Councilwoman Avvisato.

2 MR. BUTLER: Second that motion.

3 MR. RUSSELL RINALDI: Seconded by
4 Councilman Butler. On the question?

5 MR. NOTARI: How many more payments
6 do we have remaining?

7 MS. BARTOLETTI: The one thing
8 that's going to be hanging out there is the
9 windows and the fixing outside the senior
10 center. That won't be done until we move
11 out of there so they can then basically pull
12 off the front of the building. So as of
13 right now contract balance is just about
14 \$283,000.

15 MR. LOPATKA: I think a lot of that
16 is retainage as well.

17 MS. BARTOLETTI: And the window
18 section. The window section was about
19 \$65,000.

20 MR. RUSSELL RINALDI: On the
21 question? Public input? Roll call, please.

22 MS. BARTOLETTI: Councilwoman
23 Avvisato?

24 MS. AVVISATO: Yes.

25 MS. BARTOLETTI: Councilman Butler?

1 MR. BUTLER: Yes.

2 MS. BARTOLETTI: Councilman Hoover?

3 MR. HOOVER: Yes.

4 MS. BARTOLETTI: Councilman
5 Lettieri?

6 MR. LETTIERI: Yes.

7 MS. BARTOLETTI: Councilman Notari?

8 MR. NOTARI: Yes.

9 MS. BARTOLETTI: Councilman Rinaldi?

10 MR. RUSSELL RINALDI: Yes. The
11 second item under new business is a motion
12 to a re-adopt resolution 6-2021, adopting
13 Lackawanna hazardous mitigation plan as
14 required by the Federal Emergency Management
15 Agency, FEMA.

16 MR. NOTARI: I'll make that motion.

17 MR. RUSSELL RINALDI: By Councilman
18 Notari.

19 MS. AVVISATO: I'll second that
20 motion.

21 MR. RUSSELL RINALDI: Seconded by
22 Councilwoman Avvisato. On the question?
23 Public input? Roll call, please.

24 MS. BARTOLETTI: Councilwoman
25 Avvisato?

1 MS. AVVISATO: Yes.

2 MS. BARTOLETTI: Councilman Butler?

3 MR. BUTLER: Yes.

4 MS. BARTOLETTI: Councilman Hoover?

5 MR. HOOVER: Yes.

6 MS. BARTOLETTI: Councilman

7 Lettieri?

8 MR. LETTIERI: Yes.

9 MS. BARTOLETTI: Councilman Notari?

10 MR. NOTARI: Yes.

11 MS. BARTOLETTI: Councilman Rinaldi?

12 MR. RUSSELL RINALDI: Yes. The
13 third item under new business is a motion to
14 approve the 2022 Old Forge police roster.

15 MS. AVVISATO: I'll make that
16 motion.

17 MR. RUSSELL RINALDI: By
18 Councilwoman Avvisato.

19 MR. BUTLER: I'll second.

20 MR. RUSSELL RINALDI: Seconded by
21 Councilman Butler. Just a note, Chief, if
22 we can give Mark a copy of the roster so he
23 can just add it to the minutes so we don't
24 have to read everyone's name. Public input?
25 Roll call, please.

1 MS. BARTOLETTI: Councilwoman
2 Avvisato?

3 MS. AVVISATO: Yes.

4 MS. BARTOLETTI: Councilman Butler?

5 MR. BUTLER: Yes.

6 MS. BARTOLETTI: Councilman Hoover?

7 MR. HOOVER: Yes.

8 MS. BARTOLETTI: Councilman
9 Lettieri?

10 MR. LETTIERI: Yes.

11 MS. BARTOLETTI: Councilman Notari?

12 MR. NOTARI: Yes.

13 MS. BARTOLETTI: Councilman Rinaldi?

14 MR. RUSSELL RINALDI: Yes. No more
15 items under new business. If no members
16 have anything we move down the table before
17 we adjourn and we'll see if anyone has
18 anything to add. Mayor Legg?

19 MAYOR LEGG: Thank you. I just want
20 to tell the chief excellent report. It was
21 very informative. That's all.

22 MR. NOTARI: Nothing for today.

23 MR. LETTIERI: Nothing today, sir.

24 MR. BUTLER: Nothing.

25 MS. AVVISATO: No, I have nothing.

1 MR. HOOVER: Just a reminder to go
2 over the paving list. I'm going to set up a
3 meeting shortly with the paving committee,
4 see what streets we want to do. It's, like,
5 \$2.2 million and we have to get it down to
6 \$900,000, somewhere around there. I'd like
7 to get these out in March, Dave, if
8 possible. That's it.

9 MR. RUSSELL RINALDI: The only thing
10 I have, I want to inform the public that
11 after our reorganization meeting two weeks
12 ago council had an executive session
13 regarding a personnel matter and a legal
14 issue, and we're also going to have one this
15 evening, after we adjourn, as well.

16 If there's no more items, the chair
17 will entertain a motion to adjourn the
18 meeting.

19 MR. NOTARI: I'll make that motion.

20 MR. RUSSELL RINALDI: By Councilman
21 Notari. All in favor?

22 (Unanimous. Meeting adjourned.)
