Mark Wozniak  
Official Court Reporter

1 MR. RUSSELL RINALDI: Good evening,  
2 ladies and gentlemen. I'd like to call the  
3 meeting to order with the Pledge of  
4 Allegiance.

5 (The Pledge of Allegiance was  
6 recited.)

7 MR. RUSSELL RINALDI: Roll call,  
8 please, Marylynn.

9 MS. BARTOLETTI: Councilwoman  
10 McCawley?

11 MS. MCCAWLEY: Here.

12 MS. BARTOLETTI: Councilwoman  
13 Shotwell is absent. Councilman Komensky?

14 MR. KOMENSKY: Here.

15 MS. BARTOLETTI: Councilman  
16 Lettieri?

17 MR. LETTIERI: Present.

18 MS. BARTOLETTI: Councilman Butler  
19 is absent. Councilman Hoover?

20 MR. HOOVER: Present.

21 MS. BARTOLETTI: Councilman Rinaldi?

22 MR. RUSSELL RINALDI: Here. Once  
23 again, ladies and gentlemen, welcome to the  
24 work session of Old Forge Borough. Tonight  
25 is June 3, 2025. Before our work session we

1 have -- Old Forge Council advertised to have  
2 a special meeting, so we're going to have a  
3 special meeting first.

4 Also, I just want to let the  
5 audience know that in between our work  
6 session we might have to pause the meeting  
7 because we want to watch the high school  
8 parade come by. We might take a break if  
9 the meeting is not over with just to watch  
10 the parade.

11 (Recess for the special meeting.)

12 MR. RUSSELL RINALDI: Once again,  
13 ladies and gentlemen, welcome back.  
14 Apologize for that brief recess. Once  
15 again, welcome to the work session of Old  
16 Forge Borough. Tonight is Tuesday, June 3,  
17 2025. The purpose of our meeting will be to  
18 set the agenda for our regular meeting which  
19 will be Tuesday, June 17, 2025. We're going  
20 to hear from our department heads, we'll  
21 hear from our borough manager, solicitor,  
22 our engineer, members of the public. If  
23 anyone has questions for us we'll give you a  
24 few moments at the end a meeting. Then  
25 we'll go down the table and hear from our

1 council members and our mayor.

2 With that said, the first department  
3 head will be our DPW manager, Joe Lenceski.  
4 Good evening. Anything for the meeting  
5 tonight or for the upcoming agenda?

6 MR. LENCESKI: Nothing for the  
7 upcoming agenda. Just to give you a heads  
8 up, we started work at Pagnotti, putting the  
9 addition on. Earthworks dug it yesterday.  
10 Mike and I went and put the rebar in  
11 yesterday, tied it this morning and poured  
12 the footers today.

13 MR. RUSSELL RINALDI: Great job.  
14 Anything else?

15 MR. LENCESKI: That's it.

16 MR. RUSSELL RINALDI: Any members  
17 have any questions for Joe? Thanks, Joe.

18 MR. RUSSELL RINALDI: Mike  
19 Sokolowski, code enforcement/zoning officer,  
20 good evening. Anything for the meeting  
21 tonight or the upcoming agenda?

22 MR. SOKOLOWSKI: Not for the agenda,  
23 but I do have 200 Amity, the cats. The plan  
24 they've come up with of what they want to do  
25 as far as cleanup. If you want to see the

1 e-mail they sent me, if you want to look at  
2 it.

3 MR. HOOVER: I do. The hearing was  
4 postponed. I went down there. The lawyer  
5 needed more time. I think June 27th, if I'm  
6 not mistaken -- June 23rd, 11:15.

7 MR. RUSSELL RINALDI: Mike, my first  
8 question would be, just reading a few lines,  
9 obviously they're going to have a  
10 professional company do it.

11 Two, who determines if they have to  
12 remove any rugs or anything else that needs  
13 to be thrown away? The company. Right?

14 MR. SOKOLOWSKI: Yes.

15 MR. RUSSELL RINALDI: Because I  
16 wouldn't want them to determine that, I want  
17 the actual certified company to. Did you  
18 speak to the company?

19 MR. SOKOLOWSKI: No, from what they  
20 said they're going to do it themselves.

21 MS. BARTOLETTI: Read that first  
22 section again.

23 MR. RUSSELL RINALDI: So, then, my  
24 question is according to our ordinance are  
25 they allowed to do that?

1 MR. SOKOLOWSKI: I can't find  
2 anything that says --

3 MR. RUSSELL RINALDI: Bill, are they  
4 allowed to clean --

5 ATTY. RINALDI: I'm going to kind of  
6 defer to what his letter says for the  
7 condemnation.

8 MR. SOKOLOWSKI: There's nothing  
9 that really says who has to clean it.

10 MS. BARTOLETTI: It's kind of an odd  
11 scenario.

12 MR. HOOVER: You have two  
13 professional companies go in there and do  
14 this --

15 MS. BARTOLETTI: They don't do it  
16 because it has to be gutted.

17 MR. HOOVER: They don't do it?

18 MR. SOKOLOWSKI: No.

19 MR. HOOVER: So I don't know if we  
20 should let -- I don't know how we can do  
21 that.

22 MR. SOKOLOWSKI: I'm not sure how to  
23 go about it.

24 MR. HOOVER: What are they going to  
25 do with it once they put it in a bucket?

1 MR. SOKOLOWSKI: Read what they  
2 said. They're going to bag it and they have  
3 somewhere to take it.

4 MR. LETTIERI: The company is not  
5 willing to do it? If they're not willing to  
6 do it, these people don't do it, nobody is  
7 going to do it.

8 MS. BARTOLETTI: According to this  
9 they're planning on doing it themselves.

10 MR. LETTIERI: Do we rather not  
11 doing anything, leave it like it is, or let  
12 them attempt to do it?

13 MR. KOMENSKY: I think what they say  
14 in here, wouldn't bother the neighbors, I  
15 don't think is going to be true. That's my  
16 concern. I hear you.

17 MR. LETTIERI: But if nobody does  
18 anything it's going to bother the neighbors  
19 forever.

20 MR. HOOVER: But it's not bothering  
21 the neighbors now, but that's not the  
22 answer. I mean, I don't trust these people.  
23 I'll be perfectly honest with you. They  
24 caused the problem. I'm not comfortable.  
25 They're going to do it on three weekends?

1           They think they're going to get this all  
2           cleaned up? We'd have to have somebody  
3           there, an inspector there. We can't let  
4           them do it by themselves. There going to go  
5           in there, open the windows or whatever and  
6           we're back to square one. The neighbors are  
7           going to go crazy.

8                   MR. LETTIERI: They can't get in  
9           touch with a hazmat team or somebody in  
10          there and get in there and do that? Is that  
11          an option?

12                   MR. SOKOLOWSKI: I don't know.  
13          That's not --

14                   MR. LETTIERI: That would be the  
15          people that I would think would need to go  
16          in there and do this thing.

17                   MR. HOOVER: I'd like to know the  
18          names of both companies. The one company I  
19          heard they were going to be using was  
20          Servpro. I know Servpro doesn't do that.

21                   MR. SOKOLOWSKI: No. There was  
22          another company. The name I don't know.

23                   MR. HOOVER: I'm just not  
24          comfortable with any of this.

25                   MR. KOMENSKY: It's probably a

1 combination of two or three different  
2 companies. One would do this and one would  
3 do that, to your point, Jimmy.

4 MR. LETTIERI: Biohazard company  
5 come in and clean this place up.

6 MR. HOOVER: They're going to go in  
7 there, they're not suited up. It's not  
8 going to bother the neighbors? Are you  
9 kidding me? They're going to do the same  
10 thing they did before. They opened up the  
11 doors, opened a couple windows while they're  
12 there two hours to get personal belongings.  
13 It was crazy. I don't know what steps we do  
14 to make sure they don't do it.

15 ATTY. RINALDI: Well, I mean, both  
16 companies say this is not feasible. The  
17 house needs to be gutted. Mike, you're the  
18 zoning guy. Did you say you have to gut the  
19 house? I mean, when you condemned it it's  
20 got to be gutted and cleaned up. If you  
21 said that you've got to do the inspection  
22 and say okay, they get so many days to  
23 comply, whatever you want to give them, and  
24 then you can take action under the book.

25 Another remedy is when you go to the

1 hearing you can maybe try and get, part of  
2 the plea deal, that they have to gut the  
3 house. Talk to the district attorney  
4 handling it, say we want it gutted. It's  
5 condemned and we want it sanitized, cleaned,  
6 whatever you're requiring. You have to  
7 decide what you want them to do as the  
8 zoning officer and code enforcement to make  
9 it right and uncondemn it.

10 MR. RUSSELL RINALDI: So at this  
11 point if they did go in and clean it up this  
12 way, like Bill just said, you would inspect  
13 it before you take the condemned notice off.

14 MR. SOKOLOWSKI: Yes.

15 MR. RUSSELL RINALDI: To Jimmy and  
16 Mike's point --

17 MS. BARTOLETTI: The neighborhood.

18 MR. RUSSELL RINALDI: They're not  
19 cleaning specialists. They're just the  
20 people who own the house going in there and  
21 trying to clean up a really bad mess.

22 MR. KOMENSKY: My question would be  
23 why can't they get that cleaned up first,  
24 whatever it is? The carpets, the feces, all  
25 of that stuff, get that hazard, like Mike

1           talked about, out of there, which if you  
2           read in here it says get rid of 90 percent  
3           of the odor. Probably get rid of most of it  
4           and then probably get a contractor and rip  
5           down the other stuff, which would be the  
6           normal course of business. But that would  
7           probably at least eliminate the smell  
8           getting into the neighborhood as if they had  
9           the hazardous team clean that. Everybody  
10          else is going in in suits and they just want  
11          to go in and do it.

12                   MR. HOOVER: I'd rather have them  
13                   come in and do it Monday through Friday,  
14                   when the neighbors are working. You're  
15                   killing the neighborhood for three weekends  
16                   in a row. Nobody can have a cookout.  
17                   Danielle is going to be here, Joe's going to  
18                   be here, Paul and Sandy. They were all at  
19                   my house that one day. They were there  
20                   three hours.

21                   MS. MCCAWLEY: The other thing that  
22                   concerns me is they are going to take the  
23                   biological waste to this place in the back  
24                   of their car? How are they going to  
25                   transport it?

1 MR. LETTIERI: Could Mike enforce to  
2 make them get a biohazard company to come  
3 in? Could we do that as a borough? Could  
4 we go to them and say you have to get a  
5 biohazard because you can't do it yourself?

6 ATTY. RINALDI: I mean, he condemned  
7 it. Basically he can tell them what they  
8 need to do to uncondemn it. If he wants it  
9 certified that it was cleaned -- I mean,  
10 structurally I don't think there was  
11 anything wrong, Dave.

12 MR. LOPATKA: I have never seen it.

13 MR. HOOVER: My understanding just  
14 by hearsay, the sheetrock walls have holes  
15 in them. That has to be completely gutted.

16 MR. SOKOLOWSKI: Insulation,  
17 probably subfloor.

18 MR. RUSSELL RINALDI: Mike, you're  
19 the zoning officer, the code enforcement  
20 officer. You have the authorization.  
21 You're a contractor as well for 40 years.  
22 Why don't you go in there, find out exactly  
23 what needs to be done, and then, like Bill  
24 said, you tell them how they have to clean  
25 it up before you remove the notice.

1 MR. KOMENSKY: Take one of those  
2 guys. Whoever you pick to go with you, take  
3 the same one every time so there's no  
4 change.

5 MR. SOKOLOWSKI: You want me to tell  
6 them that they have to have it  
7 professionally cleaned? That's what I have  
8 to go back and tell them?

9 MR. RUSSELL RINALDI: Yes.

10 MR. SOKOLOWSKI: You want it done  
11 during the week, not on weekends.

12 MR. HOOVER: Yes.

13 MR. KOMENSKY: Then they can start  
14 the remodel process, which would be gutting  
15 it or whatever.

16 MR. RUSSELL RINALDI: Mike, set the  
17 stipulation, set the arraignments of how  
18 they have today to have it done. But if you  
19 want to take some direction from us, advice  
20 from us, that's fine as well.

21 MR. SOKOLOWSKI: That's what I'm  
22 looking for.

23 MR. HOOVER: I think personally they  
24 have to answer this letter, say council  
25 doesn't think that this is the proper way to

1 get rid of this stuff.

2 MR. RUSSELL RINALDI: I think the  
3 way Councilman Hoover said, definitely  
4 Monday through Thursday.

5 MR. HOOVER: Monday through Friday.  
6 Can't be on weekends.

7 MR. RUSSELL RINALDI: Professional  
8 company.

9 MR. HOOVER: These people want to  
10 enjoy their back yards. Bad enough they  
11 have Stocky on one side.

12 MR. KOMENSKY: Why don't you put  
13 some notes on this, get it to Marylynn, she  
14 can send it to us, and then we can say all  
15 right, we agree and then get Bill's okay.

16 MR. SOKOLOWSKI: All right.

17 ATTY. RINALDI: Dave, do they need  
18 any kind of a certification that the  
19 hazardous waste has been removed?

20 MR. LOPATKA: I don't know that. I  
21 mean, they probably should have some  
22 certification as to where they're bringing  
23 it, I would think. Any of that material.

24 MR. HOOVER: Put that in the letter,  
25 too.

1                   ATTY. RINALDI: Wear a suit or  
2 something if you're going in there. Protect  
3 yourself.

4                   MR. STULL: Has anything been done  
5 since the cats have been removed?

6                   MR. SOKOLOWSKI: Since we've been  
7 there, no.

8                   MR. STULL: So all that feces is  
9 still in there, all the windows are shut?  
10 When we went in there to do the monitoring  
11 before -- to get the cats out we were well  
12 over a hundred parts per million on ammonia.  
13 So you cannot go in without being under air  
14 or a respirator and definitely in a Tyvek  
15 suit.

16                   MR. HOOVER: That's why I think we  
17 need professionals to go in there, not Mike.

18                   MR. SOKOLOWSKI: I'm not going to go  
19 in there.

20                   MAYOR LEGG: I don't blame you.

21                   MR. HOOVER: The Humane Society had  
22 to go in in suits and masks.

23                   MR. SOKOLOWSKI: I have asthma. I  
24 can't take it.

25                   MR. RUSSELL RINALDI: I wasn't

1           aware. That's all still in there? Mike,  
2           I'm sorry. I wasn't aware of that.

3                   MR. HOOVER: We need a professional  
4           person to go in that house. Maybe these  
5           people did go in the house. I doubt it.  
6           Maybe they just told them it has to be  
7           gutted.

8                   MR. STULL: You're not going to last  
9           more than ten minutes in there.

10                   MR. KOMENSKY: Who is doing the  
11           county hazmat stuff? You ask Tag tomorrow.  
12           Send him a text and ask him who is doing the  
13           county stuff, we'll get it to Mike.

14                   MR. HOOVER: We need professional  
15           people to do this house.

16                   MR. RUSSELL RINALDI: I have an  
17           idea. If council's okay with this, real  
18           quick, respond back to this letter, tell  
19           them the house is condemned, stay out of it.  
20           Tell them that you are requiring as the code  
21           enforcement and zoning officer a  
22           professional to go in there, do a full  
23           report and it has to come back to you. Then  
24           we'll take it from there. They can't even  
25           go into the house either. It's condemned.

1                   ATTY. RINALDI:  If it is condemned  
2                   they're not supposed to.

3                   MR. RUSSELL RINALDI:  Is council  
4                   okay with instructing Mike to do that?  
5                   Okay.  I wasn't aware that the feces and  
6                   everything is still in the building.  Mike,  
7                   do not go in the house.  I'm sorry.  I  
8                   didn't know that.  So we should have a  
9                   professional company go in there.

10                   Mike, inform them to stay out of the  
11                   house, it's condemned.  By law they can't go  
12                   in.  They need to get a professional company  
13                   to do a full report, and then the full  
14                   report has to come back to -- from a  
15                   professional company, not them.

16                   MR. HOOVER:  They have to pay for  
17                   this.  They're responsible for it all,  
18                   whatever the charges may be.

19                   MR. RUSSELL RINALDI:  Mike, if you  
20                   want to respond back with a phone call  
21                   that's fine, but make sure your first  
22                   response is in writing so it's documented.  
23                   Anything else?

24                   MR. SOKOLOWSKI:  That's it.

25                   MR. RUSSELL RINALDI:  Anything else

1 for tonight or for the meeting?

2 MR. SOKOLOWSKI: No.

3 MR. RUSSELL RINALDI: Any members  
4 have any other questions for Mike?

5 MR. KOMENSKY: Thanks for helping  
6 Joe down at the field.

7 MR. RUSSELL RINALDI: Yes, thank you  
8 for that as well.

9 Dave Lopatka, engineer, good  
10 evening. Anything for the meeting tonight  
11 or for the upcoming agenda?

12 MR. LOPATKA: Just tonight I have  
13 two projects here but there's four total  
14 that we're going to be putting out to bid.  
15 One immediately is the phase two of the  
16 Pagnotti Park infield project.

17 The second one that I have here is  
18 the memorial wall project.

19 The other two are Marion Street,  
20 Miles Street, the paving and some of the  
21 other things we had discussed, the  
22 basketball courts.

23 The fourth thing would be the Marion  
24 Street park lighting project.

25 MR. RUSSELL RINALDI: This is all

1 projects all going out for bid?

2 MR. LOPATKA: All of them will be  
3 out to bid within the next week. Also, I  
4 know we advertised last month the MS4, the  
5 pollution reduction plan, with a requirement  
6 of us submitting your updated application,  
7 NPDES permit application for the MS4. That  
8 period expired about a week and a half ago,  
9 and I subsequently addressed no comments  
10 because there weren't any, updated the  
11 report to that effect and have now submitted  
12 your NPDES permit application the PRP plan  
13 to DEP for review and ultimately a permit.

14 MR. RUSSELL RINALDI: Anything else?

15 MR. LOPATKA: That's all for me.

16 MR. RUSSELL RINALDI: Any members  
17 have any questions for Dave?

18 MR. HOOVER: American Asphalt?

19 MR. LOPATKA: He did send me an  
20 e-mail. I have to get back to him. He sent  
21 me -- what's the road up from yours?

22 MR. HOOVER: Nicholas. Wet spot on  
23 both sides.

24 MR. LOPATKA: So he did send me some  
25 photos preconstruction that showed a puddle

1 in the same spot. So all they did was mill  
2 and overlay an inch and a half. I have to  
3 look at it, but it seems to me like from  
4 the --

5 MR. HOOVER: They did come down my  
6 street and look at Bubernak about 40 miles  
7 an hour. I don't know how they saw  
8 anything.

9 MR. LOPATKA: I did contact the  
10 surveyor to go over the as-built so I can  
11 better understand what they did and if  
12 there's anything we can do to rectify that.

13 MR. RUSSELL RINALDI: Any members  
14 have any questions?

15 MR. KOMENSKY: DPW?

16 MR. LOPATKA: It's in the process.  
17 Another one.

18 MR. RUSSELL RINALDI: Anything else?

19 MR. LOPATKA: That would be it.

20 MR. RUSSELL RINALDI: Thank you.  
21 Police chief, Jason Dubernas, good evening.  
22 Anything for the meeting tonight?

23 CHIEF DUBERNAS: I have nothing for  
24 the meeting or agenda.

25 MR. RUSSELL RINALDI: Any members

1 have any questions for the chief? Thanks,  
2 Chief.

3 Assistant fire chief, Bill Stull,  
4 good evening. Anything for the meeting  
5 tonight or for the upcoming agenda?

6 MR. STULL: Two things that are  
7 coming up. Sunday, the 22nd of June is our  
8 corn hole tournament for the fire  
9 department, so we're asking again to block  
10 off Fallon Street to South Main Street  
11 alongside Revello's. Pat pretty much owns  
12 the whole street all the way down.

13 Then I want to bring to council's  
14 attention that in the apparatus sale we took  
15 our 2006 Crimson, we sent down the Bulldog  
16 to get a refurb job. So when that comes  
17 back in about three months that will be our  
18 primary engine going out the door.

19 The existing engine now is a '02 E1  
20 that is going to be looked at being sold.  
21 We did purchase that 1990 E1 Hush that was  
22 originally built for a large hose company  
23 back in 1990. We found out where it was, we  
24 got it back. It's being all done over  
25 again. That's going to be put in as a

1 reserve piece.

2 So we're going to be downsizing. We  
3 don't want a squad and engine going out  
4 anymore. The squad will be the new engine,  
5 the existing engine is going to be sold, and  
6 we're going to keep that reserve piece. We  
7 should be good.

8 MR. RUSSELL RINALDI: Anything else?

9 MR. STULL: That's it.

10 MR. RUSSELL RINALDI: Any members  
11 have any questions for the assistant fire  
12 chief? Thank you, Bill.

13 Attorney Rinaldi, good evening.  
14 Anything for the meeting tonight or the  
15 upcoming agenda?

16 ATTY. RINALDI: Just two things.  
17 Did you ever check to see if there's any of  
18 our sewer lines going --

19 MR. LENCESKI: No.

20 ATTY. RINALDI: Rosalie. It may  
21 have been dedicated by the plan to the  
22 borough if there's sewers going in there for  
23 that development.

24 And we have going back to our zoning  
25 and SALDO update. I think everybody's aware

1           that URDC is closed because of their main  
2           owner had a stroke. I managed to get all  
3           the files on a disc drive. We can't open  
4           some of them because we don't have the right  
5           software. But Pennoni Engineering is  
6           agreeing to pick up some of the clients to  
7           finish the work. So based upon what URDC  
8           has been paid to date and what's left  
9           Pennoni gave a proposal -- and I can share  
10          it with council -- to complete the job that  
11          URDC was hired to do for the remainder of  
12          the fee, which is \$12,000. They set forth  
13          everything that's left. We're really in the  
14          home stretch for the zoning part. The  
15          SALDO, there was a draft that was done. It  
16          has to be completed. Pennoni sent a  
17          proposal to complete that. If it's  
18          acceptable to the borough we can engage them  
19          rather than start over from scratch with  
20          somebody else.

21                         And just a five minute executive at  
22                         the end of the meeting.

23                         MR. RUSSELL RINALDI: Okay.  
24                         Anything else?

25                         ATTY. RINALDI: That's it.

1 MR. RUSSELL RINALDI: Any members  
2 have any questions for the solicitor?

3 MR. HOOVER: Did we ever pick a  
4 number for the skill games?

5 ATTY. RINALDI: I was waiting to  
6 hear from you guys. I sent you a draft.

7 MR. HOOVER: It was a month ago that  
8 Mike gave us the document of who had what,  
9 how many machines. I'd like to get that off  
10 the table. Think about maybe we can do that  
11 at our meeting --

12 ATTY. RINALDI: You have to  
13 advertise that seven days before.

14 MR. RUSSELL RINALDI: Any members  
15 have any questions? Thanks, Bill.

16 Borough manager, Marylynn, good  
17 evening. Anything for the meeting tonight  
18 or the upcoming agenda?

19 MS. BARTOLETTI: Nothing for the  
20 agenda, but just a couple things I want to  
21 make part of our record. The camp dates  
22 have been made public and it is the week of  
23 July 14th and the week of July 21st.

24 Dave brought up about -- actually  
25 Mike brought up about the DPW building.

1 Dave has been working on the plans but we  
2 don't have any funding in place for that, so  
3 I would like to talk about that. Our grant  
4 writers were working on trying to see about  
5 getting us a loan from USDA, but we haven't  
6 had any discussion about what was our plan.  
7 Were we going to try to pay for it with a  
8 grant. If that's the case that really puts  
9 any type of work out until we actually are  
10 approved for a grant. A loan might be  
11 something interesting. So maybe we should  
12 have a finance meeting to discuss --

13 MR. HOOVER: I thought we'd get some  
14 kind of an estimate from Dave first and see.  
15 A cost estimate of what it would cost to do  
16 what we want to do to see what the ball park  
17 is. We can get a loan or some money for it,  
18 a grant.

19 MS. BARTOLETTI: Some of the things  
20 that Dave is putting out for bid, basically  
21 there's four projects and three of them we  
22 have grant funding for. The only one we  
23 don't is the memorial wall. I'd like to  
24 keep up with that.

25 Which brings me to my next item,

1 Streetscape. There's constantly talk about  
2 Streetscape but we haven't taken any steps  
3 toward making that happen. Couple years ago  
4 we had a meeting with the people from DCED.  
5 I'd like to get that up and running again  
6 because I think that we could do great  
7 things here, but it's going to take a big  
8 move.

9 MR. RUSSELL RINALDI: I was  
10 addressing that tonight. I spoke with Paul,  
11 the director of CDC, I spoke with Senator  
12 Flynn, Representative Haddock, and I spoke  
13 with our grant writer. They said that a  
14 Monday for them in June is good. If you can  
15 pick a Monday in June they all want to come  
16 down and sit with us and discuss -- I  
17 brought it to Paul's attention to get back  
18 in the room with us, explain to us the steps  
19 again we need to take, and then we can get  
20 moving on it.

21 Paul said any Monday is good.  
22 Senator Flynn, Representative Haddock and  
23 Nathan Barrett's office, they all said any  
24 Monday is good for them.

25 MS. BARTOLETTI: How about after the

1 meeting we finalize a date.

2 MR. KOMENSKY: I did see on that  
3 that the governor has allocated more money  
4 for the Main Street Matters program. I  
5 think 50 or 60 million more. So that's why  
6 I was asking you about it earlier. Possibly  
7 we can put a couple projects together on it.

8 MS. BARTOLETTI: That's one of those  
9 type of things that's big. Beyond us big.  
10 Other people in with us. That's all I have.

11 MR. RUSSELL RINALDI: Any members  
12 have any questions for Marylynn?

13 MR. HOOVER: What does Nathan have  
14 in regards to grants? What's he supposed to  
15 get for us?

16 MS. BARTOLETTI: We have the DCNR  
17 grant, we have the Streetscape that's been  
18 on hold, we have the DPW garage that's been  
19 on hold. I can look it up on my computer.

20 MR. HOOVER: We haven't spoken to  
21 him in a while.

22 MR. KOMENSKY: Maybe when we have a  
23 finance meeting you can put that together  
24 for us.

25 MS. BARTOLETTI: Yes. We don't have

1 a lot of activity going on right now, as  
2 much as we should or could. We need to give  
3 them the projects to look for.

4 MR. RUSSELL RINALDI: I spoke to  
5 Nathan. He said whenever we want him to  
6 come to a meeting. One of our work session  
7 or regular meetings. We can ask him all the  
8 questions we have. He'll give us an update.

9 MS. BARTOLETTI: In order for them  
10 to do their job we need to have things ready  
11 to give them. We can't ask them to apply  
12 for grants that we don't have anything ready  
13 for. You have to have something on paper.  
14 You have to have a plan. Otherwise they  
15 can't ask for anything. You can't go in  
16 with a blank slate. Right now we don't have  
17 anything to ask them to do.

18 Again, the ones that Dave spoke  
19 about, except for the memorial wall we have  
20 followed through and except for the DPW  
21 garage. So those plans are good.

22 MR. RUSSELL RINALDI: Any members  
23 have any questions for Marylynn? Thank  
24 you, Marylynn.

25 Before we go down the table we'll

1 ask if any of the members of the public have  
2 anything they'd to like to address us with?  
3 Thank you.

4 Mayor Legg, good evening. Anything  
5 for tonight or the upcoming agenda?

6 MAYOR LEGG: I gave another  
7 outstanding citizen award on Memorial Day at  
8 the Moosic Road cemetery. The recipient was  
9 Mr. Adam Chase, who organized the Memorial  
10 Day program every year, the seven and a half  
11 years I'm here. He also organizes a  
12 Veteran's Day program in November. He does  
13 a very good job. It's a lot of work. He  
14 was very thankful. He was as happy as a pig  
15 in a poke.

16 I have one more scheduled either the  
17 end of this month or July and then I'm going  
18 to take a little hiatus for a little while.  
19 I think it's a great program and I'm proud  
20 to do it.

21 MR. RUSSELL RINALDI: It is a great  
22 program to recognize men and women from the  
23 community. Councilman Komensky?

24 MR. KOMENSKY: I don't have anything  
25 this evening.

MR. LETTIERI: I'm good.

MS. MCCAULEY: I don't have anything.

MR. HOOVER: Mare, the resolution for the compost, was that sent?

MS. BARTOLETTI: It's done.

MR. RUSSELL RINALDI: I don't have anything as well. Council's going to break into a brief executive session.

With that said, the chair would entertain a motion to adjourn the work session.

MR. KOMENSKY: So moved.

MR. RUSSELL RINALDI: By Councilman Komensky. All in favor?

(Unanimous. Meeting adjourned.)
