who have worked in our parks. You know,
myself, Paul who get involved with the parks
and everything. Do we need a rec board?

MR. SEMENZA: The only nice thing about the rec board, which it hasn't been in a while, but other organizations bringing to the rec board and the committee bringing to council their thoughts, concerns, ideas, and you get to hear what the little league has to say, what the junior football has to say. Unless we can have a rep come to the meeting here.

MS. BARTOLETTI: There hasn't been a need to do that.

MR. SEMENZA: There was one or two after that. That was about it. Then one or two that we couldn't meet because there wasn't a quorum.

MR. NOTARI: I think it's important that we have one just so we have ideas from the community, and I think it's a place where each group that we have in town to get together and either share ideas with each other or come together as one and say this is what the borough should be doing with

recreation.

MS. BARTOLETTI: What do you think is the problem?

MR. NOTARI: Maybe we need to appoint new members. I don't know. I'm not sure exactly what the problem is. Again, we always had trouble finding good times to meet. I realize everybody's involved. Maybe part of it is people that are involved in those groups need to find somebody that's on their board that isn't necessarily the head coach of a team or the president of the league. Whereas, maybe they're just a mom or a dad that aren't -- they're involved, but they're not involved with the everyday of little league or -- I'm not sure.

Maybe those members on the rec board we have would know better. Maybe they have better people in their organizations. We used to always have three or four guys, even five at the least that would meet once a month. When I was chairman we moved the meetings to Sunday. It was inconvenient at times, but for the most times that was when we had our most attended meetings, were

Sunday nights we'd come here. I think it's important that we have one, but I think it has to be active. We have to figure out a way to do that. That's all.

MR. RUSSELL RINALDI: No items.

 $$\operatorname{MR}$.$ FEBBO: No, I think I said everything.

MR. SEMENZA: Myself, first, I feel like I need to apologize to Marylynn, all department heads, council, our engineer, Bill. The past couple months I've had a couple personal issues. I'm not going to go into it, but everything is straightened out and everything's good now. So full steam ahead.

With that being said, I have nothing else. I'm going to go to public input.

Nadia?

MS. MACHESKA: I'm the one that had a problem with my neighbor's wall falling onto my property. Well, I just want to let you know that they haven't been working on the wall in months. They took most of it down. There is about 12 to 13 feet that still has to come down, you told me.

MR. BIERYLA: Ten feet, 12 feet.

MS. MACHESKA: I was told that I was holding up the project of the wall because I didn't put my sidewalks in yet, but I couldn't put my sidewalks in, I thought, until the wall was up. So there was a little discrepancy there.

So I got my contractor and told him and my sidewalks are in. All my work is done. I'm just waiting for the rest of the wall to come down and for something to be put up so their property is not washing down on my property, because that's what's happening because there's nothing there to block it. The wall is down now. There's nothing there to block that. It's all coming down on my new sidewalk.

I spoke to Steve and I understand
that the permit says they have two years to
do the project, but it was my
understanding -- I have a question. When
Old Forge went to the magistrate on February
26th and Magistrate Gallagher told the
residents that were causing these problems
that they can be fined right then or he can

give them ten days to start the project. On the tenth day the owner came to Steve and he asked for a permit. On the tenth day.

Now, my thoughts are since the magistrate was so adamant that you have to get this done, I can fine you right now or you have ten days, did the magistrate say how long they have to complete it? I know Old Forge's permit says two years, but is that what the magistrate wants? It doesn't seem --

MR. SEMENZA: We chased after this guy, we had a public hearing and he didn't show up. The borough found that the wall needed to be repaired, fixed, put up.

MR. BIERYLA: The borough found that it's a hazard and the wall had to be removed. I would like to ask your question to attorney Rinaldi. He was at the meeting with me. Gallagher said you can't bury your head in the sand. You have to do something. He came in, he got a permit. He got a contractor within the time frame so he didn't have to go back to the magistrate. But Magistrate Gallagher never gave him a

time frame. He said you've got to get something done within that time frame to do something, and he did. He got his permit, he got his contractor, the wall came down.

MR. SEMENZA: I'm sure you've been there, seen it. The rain is going to come down on her property. What do we do then? Is that a violation of anything?

MR. BIERYLA: In between all this and speaking with her, speaking with the contractor or recommending contractors to her to do her sidewalk and with speaking with the contractor that started the wall, I asked the one contractor to speak with the other contractor to coordinate either the wall needs to go up before the sidewalk or the sidewalk needs to go in before the wall.

I can't speak to if either one of them correlated on that. Nadia said that the sidewalks are in, so now I guess I need to contact the contractor and tell him the sidewalks are in, there's no hold up. Now you can go finish.

MR. SEMENZA: Can you do that first thing in the morning, please?

MR. BIERYLA: I could.

MS. MACHESKA: Steve is aware that there was, like, two portions that my contractor had to clear out. That wasn't his job, but he couldn't put in my sidewalks until that was all taken out. All the dirt that came down, two big piles on my old sidewalk, he had to clean that because his contractor never came. I called his contractor to tell him, said I was ready to put my sidewalks in and I need him to come as soon as possible and clear that up so I can begin work. I never heard from him.

So when I was told I was holding up the project I just called the contractor and said I don't know who should go first. You guys figure it out.

MR. SEMENZA: I spoke to a couple different contractors and asked their opinion. The way I've always done it is we pour to the wall. Other people said they put the wall to the sidewalk. Don't think either way is wrong. I don't know.

MR. NOTARI: Are we able to give them a deadline, or no? Do they have until

when the permit expires to put the wall in?

MR. BIERYLA: No. Here's what it We got involved because there was a is. direct hazard to the egress. That has been The contractor has a permit. permit says start within one year, finish within two. That's the way it's written. The argument was sidewalk in or wall in If you're going to use a jackhammer, I don't want you busting my brand new wall. The wall's out, it's only dirt. Let's put the sidewalk in first.

Now I can tell the contractor because I have no idea whether the two contractors correlated on the project. The borough's responsibility, the hazard has been removed. The permit is out there and it's one year to start, two years to finish.

MS. MACHESKA: Can you contact
Magistrate Gallagher's office? I tried and
they wouldn't tell me anything because they
said they gave everything back to Magistrate
Giglio. Can you go back to Magistrate
Gallagher's office and say is there a time
span that they have to complete this

project? I don't think Magistrate

Gallagher --

MR. BIERYLA: He never gave them a time span. He gave them a time span to do something, to come in and get a permit and hire a contractor to remove the wall.

MS. MACHESKA: We never asked how long does he have to get the project completed.

ATTY. RINALDI: Let me make a suggestion. Let's grab the file, go to Magistrate Giglio's and say if this wasn't dismissed schedule for a rehearing because the work isn't done. If it is dismissed, file a new one. Just say it's not done.

MR. SEMENZA: We'll have Steve do that. First contact is the contractor doing the wall. If he's not going to start it, then we'll go that route. Thank you. Joe Moniak?

MR. MONIAK: All right. It's three months ago since Channel 28 and you said you were going to do something. Okay? Well, nothing has been done, really. Dave was supposed to come down and do a --

MR. SEMENZA: Traffic study.

MR. MONIAK: I spoke to him out in the hallway earlier. He said it's cat and mouse. Also, three months ago I contacted the Taylor chief and he called me before the meeting started about the traffic control device for speeding. He said that can happen anytime. Nothing has been there yet.

So, last meeting I had signed up to talk and then I refused because I talked to Jason. Nothing was really done. So Jason knows what I'm talking about. It's the lines you have to put for VASCAR. Last year I was here -- I never come to council meetings. There was a grant supposed to be for VASCAR or whatever. Right? Where is that? I hear you talking about grants for seatbelts and stuff. Where's the grant that was supposed to have been purchased for the VASCAR or whatever?

CHIEF DUBERNAS: We don't purchase grants. It was given to us for the NRAD.

MR. MONIAK: Where is it?

MR. SEMENZA: Is that on hold because about the radar?

CHIEF DUBERNAS: Radar is possibly coming out.

MR. SEMENZA: If we do take this grant for this it might be obsolete very shortly because of the radar.

MR. MONIAK: Well, radar can be still used. Correct?

CHIEF DUBERNAS: Negative. The state police are the only ones in the state of Pennsylvania.

MR. MONIAK: So what are you --

CHIEF DUBERNAS: Joe, you're sit
here to bust their chops. I entertained you
a thousand times. All you do is come and
harass my police officers.

MR. MONIAK: No, I don't.

CHIEF DUBERNAS: What did you do the other day? You called me and told me my two police officers were getting a sun tan when they're leaving for shift change. I got a voice mail --

MR. MONIAK: What time is shift change?

CHIEF DUBERNAS: Quarter to two.

MR. MONIAK: It was 1:16 when the

two officers were out there. I come by here. I can show you pictures and dates of the cars parked here every day of when they're not on patrol or whatever here. Whatever they're doing. That's not up to me to watch them. Okay? That's up to the mayor or whatever. Okay?

CHEF DUBERNAS: You do harass us.

MR. MONIAK: Hey, I don't --

CHIEF DUBERNAS: I have other residents I have to take care of, not just you.

MR. MONIAK: I respect you as a gentleman.

CHIEF DUBERNAS: Joe, I'm done talking to you.

MR. MONIAK: Time has passed.

Months have gone, nothing's been done.

Okay? Like I said, Channel 28 was the first thing. Right? There's two other or three other things going to be involved and they're going to be big. Now, we nip it in the bud -- like I said, this is going on here for how long. Nothing has been done.

Why don't you come down --

MR. SEMENZA: Joe, let me speak for a second. I said this time over time again, Taroli Street isn't the only street in Old Forge. You come in here week after week and complain about speeding. My street they speed on worse than your street. Joe, Joe, Joe, Joe, listen.

MR. MONIAK: It's all bullshit.

It's the same stuff. Like a recording here.

MR. SEMENZA: Exactly. What you're saying right here, it's a recording.

MR. MONIAK: I'm here because there's a problem.

MR. SEMENZA: There's a problem everywhere in the nation. There's speeders everywhere.

MR. MONIAK: When it's not addressed and you have officers siting here in cars when they're supposed to be on duty and doing stuff --

MR. SEMENZA: Sitting at the borough building? Do you know what they're doing?

MR. MONIAK: I know they have paperwork.

MR. SEMENZA: Don't make

assumptions. Don't come in here accusing people of things when you don't know what they're doing.

MR. MONIAK: When I see, right, nothing is done down by my street I asked you's the last time when was the last speeding or radar device, whatever they use, ticketed on that street. I'm asking you.

MR. SEMENZA: When was it, Chief?

CHIEF DUBERNAS: I told him there

were 33. As a matter of fact, one of my

officers actual stopped a car, and he came

out on a motorcycle for riding a wheelie in

front of his house.

MR. MONIAK: You said I was there.

I wasn't there.

CHIEF DUBERNAS: My officer said you were there. You ran out of the house.

MR. MONIAK: I swear to God on my daughter right now I was not there. Your officer's lying. He's lying. You bring him up, we'll have --

CHIEF DUBERNAS: I could have eight citations --

MR. FEBBO: Can I have the floor?

Mr. Moniak, I'm on this council for two years and you come in here almost every other meeting here --

MR. MONIAK: No, I --

MR. FEBBO: Wait, I have the floor. Thank you. We have catered to you with more episodes -- yes, we have. I've got the floor yet. Signs, markings, pavings, police patrols. I have to agree with the chief and Mr. Semenza. There are other places in town as bad or worse than what you have, and these people come in here and we do the best we can with what we have. You want everybody to cater to you. You want a cop in your front yard all the time.

MR. MONIAK: No, I don't.

MR. FEBBO: I think council and the chief of police and our police do not deserve to be treated like you're treating us.

MR. MONIAK: Oh, I'm not treating anybody -- I'm a taxpayer, first of all.

MR. FEBBO: We all are. They
deserve the same treatment as you're
getting. You're milking everybody else. We

discriminating against you or Taroli Street.

We are not. You're saying about the grant

for the NRAD system. He gave an

explanation.

MR. MONIAK: Oh, yeah, but --

CHIEF DUBERNAS: You are never satisfied with any answer I give you. I can put a cop on your front porch 24/7 and you'll still want to make a 25th hour.

MR. MONIAK: Let me ask you this, what was done since the last time I was here when you said to Channel 28 something was going to be done? Nothing was done.

MR. SEMENZA: Who said what?

CHIEF DUBERNAS: How do you know nothing was done?

MR. MONIAK: Right on TV.

MR. NOTARI: I don't watch the news. Want happened on Channel 28?

MR. MONIAK: They were there because of speeding.

CHIEF DUBERNAS: He called the news.

MR. MONIAK: About the speeding.

They don't even stop for stop signs. I

can't pull out of my driveway because they

1	come around the corner so fast they don't
2	even stop. Bob lives there. He's the
3	mayor. He lives one door down.
4	MAYOR MULKERIN: I'm not the mayor
5	of Taroli Street.
6	MR. NOTARI: What does the news have
7	to do with it?
8	MR. MONIAK: Well, this brings it to
9	somebody's attention for the board to do
10	something.
11	MR. NOTARI: So let's back up. What
12	do you want us to do?
13	MR. MONIAK: What was supposed to be
14	done when Jason talked, he was going to put
15	the lines there.
16	CHIEF DUBERNAS: There's two sets.
17	MR. MONIAK: No. First of all, you
18	have a straight run from the beer store to
19	Moosic Road.
20	MR. NOTARI: I wouldn't call it a
21	straight run.
22	MR. MONIAK: Well, the speed trap.
23	MR. NOTARI: Were VASCAR lines put
24	down?
25	CHIEF DUBERNAS: Two sets. Two

sets.

MR. MONIAK: It doesn't do any good because --

MR. NOTARI: Hold it. You want

VASCAR lines -- wait, wait, wait, wait. You

wanted VASCAR lines. Did you want VASCAR

lines?

MR. MONIAK: Where I said, yeah.

MR. NOTARI: Oh, now you're an expert on where to put VASCAR lines.

MR. MONIAK: No, because they're coming down the hill, don't even stop.

They're flying down to Moosic Road. You have a stop sign coming from Moosic Road to Taroli Street right there at Grace. At least brace it up. There's nothing coming from the beer store all the way to --

MR. NOTARI: So you wanted VASCAR lines and VASCAR lines were put down.

MR. MONIAK: No.

CHIEF DUBERNAS: Yes.

MR. MONIAK: They did put them down there. My question is putting them right there in front of the corner that he can see them when they're coming down the hill to

catch them doing the 60 miles an hour.

CHIEF DUBERNAS: I can't do what he wants me to do. First, there's two sets. I need a sight distance. All of our lines are 150 feet. We take time divided by distance equals speed. That's how VASCAR is given. He wants us to put a set of VASCAR lines in the middle of the intersection. He wants to use one of the crosswalks -- hang on -- to start one line, which is fine. Now I have to go 150 feet up. We have patrol cars. Ι don't have all SUVs. I have no problem seeing. I talked to him the other day. Ι said I'll be back. Unfortunately, I'm extremity busy. He said go move it down. I'm fine with that. I said okay, I'll move it down. I'll try to measure it.

So when you sit by his wall -- or actually across the street from the house, the wall, we see the two sets of lines. If somebody comes flying down the hill -- and I ran speed there during -- coming from Main Street. I ran speed there for two weeks during Click It or Ticket, aggressive driving, when speed is enforced, the average

speed on Taroli Street was 32.8 miles an hour.

I called him and said I'm going to go by your house and I want you to tell me how fast I'm going. Oh, I'm not home. How convenient. Because he thinks a car is doing 60 miles an hour. If I'm standing there, of course I'm going to think a car going by -- I'm standing still. But the average speed on Taroli Street is 32.6 miles an hour. I clocked one car over 40 miles an hour. Under title 75 you have to give them 11 miles an hour on the VASCAR unit. So even if the speed was 25 miles an hour, I can't issue a written warning or a citation until he's at least 37 miles an hour.

So now he wants to get the lines to put in front of his house to come through an intersection. There's not -- if I get 150 feet for distance I'm not going to have he sight distance so I can see that line coming or going unless I put a big mark, one of those orange cones, on top of the telephone pole, which he wants me to paint the curbstone so I can be able to see the line

if we're sitting in a car. If we're sitting in an SUV you probably can see over the knoll of his hill. I told him dig out your yard, I'll put three sets of lines there.

MR. NOTARI: So he wants the line in front of Jeffers?

CHIEF DUBERNAS: He wants one -maybe a little shorter. From DiMattia's to
the intersection.

MR. MONIAK: Which one of you's would come down there and look at the 150 feet and say it isn't visible? Which one of you's? I'm asking.

ATTY. RINALDI: It has to be the chief or the police officers. They're the ones enforcing.

CHIEF DUBERNAS: We have to be able to see the car coming and going.

MR. MONIAK: If you have the line here you can see in here. What's the problem? What's the problem with the two lines that you can see? You have the distance.

MR. RUSSELL RINALDI: Are you asking why the line can't be shorter?

MR. MONIAK: Well, what's the story?

Are you going to come down and put the lines there or what?

MR. SEMENZA: I'm not personally putting anything down.

MR. MONIAK: Where we are going to go here? Are we just going to close the case?

MR. SEMENZA: There's no case open.

Joe, the bottom line is there's speeding everywhere. Everywhere in town. You're not the only street that people speed on. My street is a highway from the school -- don't roll your eyes and smirk. Joe, it's the truth. It is. To be honest with you, compared to Taroli Street, Joe -- I sat here from month to month to month and bit my tongue over this. I'm sick and tired of you harassing the police officers --

MR. MONIAK: I don't harass nobody.

MR. SEMENZA: -- and the chief of police and council. I'm done with this conversation. If you have nothing else to address, then it's over with.

MR. MONIAK: I want the chief to

come down and move the lines.

MR. SEMENZA: The chief has been down there many times.

MR. MONIAK: You're not coming down to do the lines?

MR. NOTARI: Wait a second. There's lines there. They're not where you want them but there are lines there. In order for us to issue speeding tickets there has to be a car there to measure the speed between those two lines. So how are the vehicle lines going to make -- if they're sitting at the wall, in the car, and you want the lines in front of your house and in front of DiMattia's house --

MR. MONIAK: The wall's not there.

MR. NOTARI: The cops are there.

MR. MONIAK: No, there's no lines where the wall is. This is where they pick up speed.

MR. NOTARI: Going up the hill?

MR. MONIAK: Flying. You seem like a nice guy --

MR. NOTARI: I'm on that road every day. It doesn't matter if I'm a nice guy or

not.

MAYOR MULKERIN: There's no disputing cars speed on any street in the borough.

MR. NOTARI: If there was a way I would mark those streets local traffic only and not be a thruway. You can't do that.

MR. FEBBO: It's at the chief's discretion. Don't tell him what to do. He knows the law. Why are you interpreting for him? Same conversation, go put the lines down. He's not going to put the lines if it doesn't require it. Let him run the show. He's doing the best and we're doing the best we can. We're not satisfying you. Maybe you should move out of Old Forge and go up in the country and live.

MR. MONIAK: I think you should just mind your own business.

MR. FEBBO: That is my business, sir.

MR. MONIAK: You represent me.

MR. FEBBO: You're absolutely right, and 8,500 other people. You're harassing us. Everybody gave you an answer. You

1	don't want to accept it.
2	CHIEF DUBERNAS: He's given more
3	time than anybody else.
4	MR. MONIAK: There's a problem.
5	There's drug problems everywhere.
6	MR. SEMENZA: Joe, there's speeding
7	problems everywhere.
8	MR. MONIAK: You said it right on TV
9	that something's going to be done. You're
10	working on it. Nothing was done. Right on
11	TV.
12	MR. SEMENZA: We have speeding all
13	over, Joe.
14	MR. MONIAK: No, but you said
15	something was going to be done. Nothing was
16	done.
17	MR. SEMENZA: On your street, I
18	said all over town.
19	MR. FEBBO: I think your point is
20	well taken.
21	CHIEF DUBERNAS: I'm done talking to
22	you, Joe. Fill out a complaint form.
23	MR. SEMENZA: Ms. Wilk?
24	MR. MONIAK: It's not over.
25	MS. WILK: Joan Wilk. I came here

purposely because I'm tired of the police department getting harassed, saying they're not doing their jobs. There's a form that should be filled out.

MR. MONIAK: Don't give it to me.

Who do you think you are? Who do you think
you are? Don't come over here by me with
that.

CHIEF DUBERNAS: He's well aware of the form.

MS. WILK: If he doesn't fill one of these out you don't have to talk to him.

MR. MONIAK: You can't call the mayor's office, either, and complain.

MAYOR MULKERIN: Anyone can call me, Joe.

MR. SEMENZA: Enough, enough.

MS. WILK: This gentleman told one of our police officers get back in the kitchen. Female police officer. He has no respect for nobody in uniform. He's a loud mouth, a problem, and unless you come up with some kind of policy here, all he wants to do is be heard. I live on a street that cars go flying up all the time, up and down.

Where Bobby --

MR. MONIAK: If she's referring to me --

MR. FEBBO: She has the floor.

Don't be rude. Let her speak.

MR. MONIAK: If she's referring to me you'll have the biggest lawsuit.

MR. SEMENZA: One more word and I'll have you removed from chambers.

MS. WILK: You need to get a policy in here because this meeting is out of control. Everybody has complaints, no respect. I've been at many meetings where Chief Dubernas was torn down. The man is trying to do his job. He leaves his house every morning not saying his wife is going to see him coming back. He's one of our uniformed people working in a dangerous society. They can go to a domestic call, they could be dead. But this town, there are people that just don't have respect for I know for a fact a female police officer was told go back to your kitchen. You should have these up. If he didn't fill one out don't talk to him. That's my

opinion.

MR. FEBBO: You know, we've been catering to everybody that comes to this microphone for an unlimited amount of time. I believe in our bylaws we have a time limit.

MR. SEMENZA: There is a time limit.

MR. FEBBO: My suggestion would be that we enact it as of tonight. We go back there and make it public that as of tonight we put a five-minute limit. Use your timer and your gavel to keep this under order.

All it becomes is a circus.

MR. SEMENZA: I do try to give people --

MR. FEBBO: We appreciate that part. You've bent over backwards only to be spit in the face.

MR. SEMENZA: That's it for public input. We'll go to new business. At this time the chair would entertain a motion for the findings of fact and the decision of Thomas Perrone, the owner of the property at 243 Orchard Street, Old Forge, Pennsylvania hereby ordered and demanded by council of

the borough of Old Forge to demolish and tear down the building at the property in accordance with the standards set forth in the code of the borough of Old Forge or, in alternative, make substantial repairs to the building immediately using experienced contractors to secure the structure from weather and access by the public in accordance with the standards set forth in the code of the borough of Old Forge.

MR. NOTARI: I'll make that motion.

MR. SEMENZA: By Councilman Notari.

May I have a second?

MR. BROWN: I'll second that.

MR. SEMENZA: Seconded by Councilman Brown. On the question?

MR. NOTARI: Can we amend that to put a deadline on it or --

ATTY. RINALDI: The deadline's right in the ordinance. He has 30 days to appeal. If he doesn't appeal we can file at the magistrate.

MR. NOTARI: So how long does he have to actually tear the place down or fix it?

Roll

1	MR. SEMENZA: By Councilman Notari.
2	MR. RUSSELL RINALDI: I'll second
3	it.
4	MR. SEMENZA: Seconded by Councilman
5	Rinaldi. On the question?
6	MR. NOTARI: This is just for the
7	easement
8	MR. SEMENZA: Just for the easement
9	at the bottom of lot one to get to Pagnotti
10	Park.
11	MR. SEMENZA: Roll call, please.
12	MS. BARTOLETTI: Councilman Brown?
13	MR. BROWN: Yes.
14	MS. BARTOLETTI: Councilman Notari?
15	MR. NOTARI: Yes.
16	MS. BARTOLETTI: Councilman Febbo?
17	MR. FEBBO: Yes.
18	MS. BARTOLETTI: Councilman Rinaldi?
19	MR. RUSSELL RINALDI: Yes.
20	MS. BARTOLETTI: Councilman Semenza?
21	MR. SEMENZA: Yes. At this time the
22	chair would entertain a motion to pass a
