OLD FORGE BOROUGH COUNCIL  
OLD FORGE, PENNSYLVANIA

IN RE: COUNCIL WORK SESSION

NOVEMBER 10, 2020

6:30 P.M.

EAGLE-MCCLURE HOSE COMPANY  
MILWAUKEE AVENUE  
OLD FORGE, PENNSYLVANIA

COUNCIL MEMBERS:

- LOUIS FEBBO
- RICK NOTARI
- JAMES HOOVER
- MICHAEL LETTIERI
- WILLIAM RINALDI, ESQUIRE, SOLICITOR
- MARYLYNN BARTOLETTI, BOROUGH MANAGER

Mark Wozniak  
Official Court Reporter

1 MR. FEBBO: Let's call our meeting  
2 to order, please. Stand for the Pledge.

3 (The Pledge of Allegiance was  
4 recited.)

5 MR. FEBBO: We'll start with roll  
6 call.

7 MS. BARTOLETTI: Councilwoman  
8 Avvisato is absent. Councilman Febbo?

9 MR. FEBBO: Here.

10 MS. BARTOLETTI: Councilman Hoover?

11 MR. HOOVER: Present.

12 MS. BARTOLETTI: Councilman  
13 Lettieri?

14 MR. LETTIERI: Present.

15 MS. BARTOLETTI: Councilman Notari?

16 MR. NOTARI: Present.

17 MS. BARTOLETTI: Councilman Rinaldi  
18 is absent, Councilman Semenza is absent.

19 MR. FEBBO: All right, guys, we're  
20 going to fly by the seat of our pants  
21 tonight. So hang on. So we are going to  
22 forego all the other readings there, the  
23 minutes and so on, and what we'll do is  
24 we'll go right into our reports by our  
25 department heads. Chief, you're the first

1 one up on the list, here.

2 CHIEF DUBERNAS: Just for the  
3 agenda, I passed out a packet. I already  
4 had a conversation with attorney Rinaldi  
5 last week. That packet is in regard to one  
6 of our towers that we currently have in our  
7 rotation. I'm asking, for the meeting next  
8 week, that you put on the agenda to either  
9 suspend him from our rotation or to have him  
10 removed out of our towing ordinance because  
11 this is not the only issue going on right  
12 now with him. There's a couple other issues  
13 going on that I can't discuss that  
14 doesn't -- it's not involving our  
15 department. It's involving other  
16 departments.

17 So I'd like to have that for the  
18 agenda, to have him suspended from our  
19 towing rotation for the time being or just  
20 have him removed from it.

21 MR. FEBBO: Any comments?

22 MR. NOTARI: No, I think we can put  
23 it on the agenda, but maybe we should meet  
24 in executive before the meeting to discuss  
25 it further, what other information you have.

1 MR. HOOVER: That's a good idea.

2 MR. FEBBO: Then we'll bring this up  
3 at our work session prior to next month's  
4 meeting.

5 MR. NOTARI: We'll have an  
6 executive --

7 MR. FEBBO: Before our meeting, and  
8 our meeting is when?

9 MR. NOTARI: Next Tuesday. Chief,  
10 maybe you can send these to the other  
11 council.

12 CHIEF DUBERNAS: I have packets  
13 already made.

14 MR. NOTARI: That way they wouldn't  
15 be sideswiped by it.

16 MR. FEBBO: Anybody else have  
17 anything for the chief?

18 MR. NOTARI: I do. Chief, over on  
19 Hickory Street -- actually I just e-mailed  
20 you a bunch of pictures. I'm asking that  
21 you and Paul, our code enforcement officer,  
22 go over to 613 and 615. Both homes are in  
23 not a good state and there's also vehicles  
24 parked in front of the homes and in the  
25 yards that are filled with newspapers, that

1 are past inspection. Again, I don't know if  
2 they're past registration. That's  
3 something you're going to have to  
4 have Officer --

5 MR. PAPI: I was there today. The  
6 one vehicle with all the newspapers is gone,  
7 and I found the names of the two people that  
8 own the property. Mike Soltis owns the left  
9 one and Debbie Sica owns the right one. So  
10 tomorrow I'm going to try and track them  
11 down, write them a letter.

12 MR. NOTARI: I've had some calls  
13 from a few neighbors that are trying to  
14 clean up their properties there.

15 CHIEF DUBERNAS: I think Debbie Sica  
16 lives right there.

17 MR. NOTARI: Somebody told me she's  
18 not living there anymore. There's nobody  
19 living in the house.

20 MR. PAPI: The pool is full with  
21 water, the back yard, the deck is  
22 unfinished. Everything is a mess.

23 MR. NOTARI: I just sent you a bunch  
24 of pictures that I was sent by the  
25 neighbors. There's some people coming in

1           there looking to remodel some of their  
2           properties, and they don't want to put all  
3           kind of money into a property and then they  
4           have that across the street from them. I  
5           don't blame them.

6                   MR. PAPI: I was surprised that the  
7           grass was all cut.

8                   MR. NOTARI: The roof on that house  
9           on the front like it's ready to fall down.

10                   MR. PAPI: They put a support under  
11           it and walked away and never fixed it.

12                   MR. NOTARI: That's all I have.

13                   MR. FEBBO: Anybody else for the  
14           chief?

15                   MR. NOTARI: I guess I have one  
16           more. I had a few, again, calls and  
17           concerns, and I'm not -- people kind of make  
18           things up. I'm not trying to get political,  
19           but our escort of the Trump parade through  
20           town, there's -- and I don't know if it's  
21           true or not. There were accusations saying  
22           that our police vehicles were part of the  
23           parade, that there was three vehicles in the  
24           front --

25                   CHIEF DUBERNAS: No, they asked for

1 it because there were so many.

2 MR. NOTARI: With lights on and  
3 sirens on, almost as if they were part of  
4 the parade, and people were pulling over  
5 because they thought that the police were on  
6 a call.

7 CHIEF DUBERNAS: No, we got a  
8 request on Friday saying that there's  
9 supposed to be several hundred. So what  
10 happened was the first group came through  
11 with the motorcycles, and then Terhune  
12 called me and said it was done and there's  
13 nobody there. Then all the sudden I got a  
14 call that says they were stuck in Pittston  
15 and there's several hundred of them along  
16 with trucks and dump trucks and everything  
17 else. So to have that many vehicles trying  
18 to go through the red lights and stops,  
19 that's why we had a car in the front and a  
20 car in the rear until they got to Taylor.

21 MR. NOTARI: So there were only two  
22 cars?

23 CHIEF DUBERNAS: We had a third car  
24 as the hopper to block intersections.

25 MR. NOTARI: Again, I have no

1           problem. I think it's a good idea because  
2           of the amount of cars, that we had to try to  
3           keep the safety. Just so we don't make it  
4           seem like we're part of the organization.  
5           That's all.

6                        CHIEF DUBERNAS: I have one other  
7           thing. The personnel committee, I know  
8           Bobby and Russell's on it. Next Monday  
9           we're supposed to have the K-9 interview.  
10          We're going to postpone that because there's  
11          just so much going on with the building. I  
12          talked to Bobby about it. He said it was up  
13          to Marylynn, so I had a discussion with her.  
14          If we can just push it off a little bit  
15          until we get a little more settled.

16                       MR. FEBBO: Anything else for the  
17          chief?

18                       CHIEF DUBERNAS: One more thing for  
19          Mr. Hoover. I talked to the mayor about  
20          Brymyer. He said that nobody ever called  
21          him, but the corner on the 500 of Dunn,  
22          we're going to have -- I talked to Ann  
23          Wheeler from housing. She said she's  
24          already been addressing that issue and that  
25          should not be going on. So she's going to

1 let us know. I told her that we've been  
2 receiving multiple complaints about them  
3 fixing cars and blocking the roadway there.

4 MR. HOOVER: That one corner.

5 CHIEF DUBERNAS: I think it's 510 to  
6 520. I wanted to let you know in case Mr.  
7 Brymyer gets in touch with you. But Ann is  
8 already aware of it.

9 MR. HOOVER: I know Kim was at that  
10 stop sign at Bubernak --

11 CHIEF DUBERNAS: We've been getting  
12 complaints about a guy flying through that  
13 intersection.

14 MR. HOOVER: He went through it  
15 twice today. I know who the guy is but you  
16 have to catch him. Keep an eye on that.

17 MR. FEBBO: Anything else? Paul,  
18 how about your report.

19 MR. PAPI: We don't do reports until  
20 next week. This is a work session.

21 MS. BARTOLETTI: Just if you have  
22 anything for the agenda.

23 MR. PAPI: No.

24 MR. LENCESKI: Nothing.

25 MR. HOOVER: You know that manhole

1 down at the end of Bubernak that we have to  
2 clean out every once in a while? Is that  
3 near where that guy put that driveway?

4 MR. PAPI: Yeah, close to the  
5 driveway.

6 MR. HOOVER: Where is his property  
7 line? He's putting in a swimming pool. Did  
8 he get a permit?

9 MR. PAPI: Yes. He has to fill out  
10 the borough form showing that he meets all  
11 the required setbacks, and he does. I was  
12 over there. He's a really nice guy. I met  
13 him a couple times.

14 MR. FEBBO: Dave, do you want to  
15 address where we are with the sewer line?

16 MR. LOPATKA: Sure. So we met out  
17 there with the property owner yesterday, and  
18 basically it was agreed upon that we're  
19 going to go through his yard, not really  
20 over the line, where the old line was,  
21 because he has two big trees that I guess  
22 have sentimental value to him and his wife.  
23 They were planted 40 or 50 years ago. We  
24 are going to actually come off the main  
25 road, go perpendicular to his property line

1 to the back, and then cut across and tie in  
2 to the existing pipe. So they agreed to  
3 that.

4 I have to put together a plan that  
5 shows the easement with a description and  
6 then we'll get a plan to Matt from  
7 Earthworks to start getting work done.

8 (Mayor Legg joined the meeting.)

9 MR. LETTIERI: That's option one.

10 MR. LOPATKA: That's option one.

11 Option two would be quite costly because you  
12 have to run down the state road and you end  
13 up paving the whole width of the road.  
14 There's a bunch of utilities to cross there.  
15 So it would be a challenge to get it to Dunn  
16 and then down Dunn.

17 So option one, and the property  
18 owner seemed to agree with it. We just have  
19 to put the paperwork together.

20 MR. FEBBO: Again, we're kind of  
21 running an informal work session tonight, so  
22 we'll just kind of touch on things.

23 Marylynn, do you want address us?

24 MS. BARTOLETTI: I just want to  
25 discuss the budget for a couple seconds. I

1 hope to have a good plan by next week. So  
2 hopefully I'll be able to pass it out to you  
3 and we'll be going over it so we'll be ready  
4 for the December work session to pass the  
5 tentative, and then at the December regular  
6 meeting we can pass the formal budget.

7 Everything else that I need to talk  
8 about we're all going to talk about anyway  
9 between the building, the sewer, all that  
10 kind of stuff.

11 MR. FEBBO: Okay. Bill, how about  
12 you? Anything you want to bring up?

13 ATTY. RINALDI: The Department of  
14 Community and Economic Development approved  
15 our loan. We'll probably close Monday on  
16 it. So it will be Marylynn, Bobby, and I  
17 think that's all -- I might need the mayor.

18 The subdivision plans, I think we're  
19 just waiting on the survey for that.

20 Now that the election is over I did  
21 speak with somebody at DCNR regarding the  
22 Project 70 land release, and that will  
23 probably pick up steam now that the state  
24 rep's office is back up and running.

25 Getting back to what the chief said

1           regarding the towing ordinance, I'm going to  
2           send everybody -- it won't be for next week  
3           because it needs to advertise, but I want to  
4           adjust the ordinance a little bit so we can  
5           add towers by resolution rather than having  
6           to amend the ordinance every time. So I'll  
7           send you all a draft of that, and then we'll  
8           just pass a resolution each year saying  
9           these are the towers on the list, and if it  
10          has to be adjusted it will just be a simple  
11          resolution by council rather than  
12          advertising and passing an ordinance every  
13          time. I'll send those to Marylynn so  
14          everybody can review them. That's all.

15                   I did get the brief from  
16          Mr. Stocki's attorney and I'm reviewing  
17          that. Actually I was doing that today.  
18          That's all. Nothing for the agenda.

19                   MR. FEBBO: Does anybody have  
20          anything else they want to address from  
21          council?

22                   MR. PAPI: I just wanted to repeat  
23          the agenda for tonight's planning commission  
24          meeting. Joe Palko to ask questions about  
25          Ray's Market. They want to turn it into a

1 warehouse.

2 John Giambra to ask questions about  
3 a solar panel farm. He's the one that owns  
4 the land at the end of Howard Street that we  
5 changed the zoning for and he never made his  
6 project. They want to put in a solar farm.

7 Angela Manz to ask questions about  
8 putting in a car lot.

9 And Dave Solfanelli to show the  
10 plans about the cell tower.

11 So that's what's on the agenda  
12 tonight.

13 MR. FEBBO: So that will be  
14 addressed at our meeting coming up?

15 MR. PAPI: Tonight's planning  
16 commission meeting.

17 MR. FEBBO: Any questions for Paul?  
18 All right. Is there anything else from  
19 council? Anybody else on the agenda that I  
20 missed?

21 MR. NOTARI: I just have one more  
22 thing. I don't know if it's for Joe. Water  
23 issues at Rosemount. The water's been out,  
24 I guess, on and off for the last day or two.  
25 They're digging up a water main break on the

1 corner. I've had a couple complaints from a  
2 couple residents saying that there's been  
3 ongoing water problems for the past seven or  
4 eight months. In their minds they seem to  
5 think it has something to do with the Dunbar  
6 development. I kind of shot that down, but  
7 is that a possibility?

8 MR. HOOVER: No.

9 MR. NOTARI: I didn't think so. I  
10 know they have their own sewer and they  
11 probably have their own water. Right?

12 MR. HOOVER: Yeah, they get their  
13 water from Nezbitt. So anything going on  
14 with the Nezbitt system from here to 502  
15 all the air comes this way. If you don't  
16 open up a hydrant fast enough the air gets  
17 in the lines and it ends up at the higher  
18 points, which is Rosemount now because  
19 there's a divide valve right at the  
20 entranceway to Dunbar's. It goes up  
21 Dunbar's and it dead ends. So you have two  
22 systems against that valve. So that's where  
23 the air goes and that's where it breaks.

24 MR. FEBBO: Anybody else? I guess  
25 not. We'll go to public input. Joan Wilk?

1 MS. WILK: I would like to ask  
2 council to consider not approving the cell  
3 tower by my house on Grace Street. We have  
4 a lot of cancer there on Grace Street. I,  
5 myself, have a blood disease. It's too  
6 close to the school where children are.

7 Mr. Mariotti tried to pan off that  
8 piece of land on the school district because  
9 he didn't want to pay taxes on it. He can't  
10 do anything with it. It's just sitting  
11 there.

12 And whether you know it or not, that  
13 is a mine area up there. That's all mines  
14 up there, used to be.

15 Please, for the safety of this town  
16 and the people in it, do not approve that  
17 cell tower.

18 MR. FEBBO: To my understanding  
19 that's gone to planning and that will be on  
20 our agenda at the next meeting.

21 MR. PAPI: For tonight.

22 MR. FEBBO: That's being discussed  
23 at the planning meeting tonight.

24 MR. NOTARI: Ms. Wilk, we have the  
25 ultimate say. It will be presented to

1           planning, and then planning will give a  
2           recommendation to us and we'll have to vote  
3           on it. I'm glad you're here voicing your  
4           concerns because I have concerns about it,  
5           and I think we need the public in that  
6           neighborhood to come and voice concerns if  
7           they're against it.

8                   MS. WILK: There's, like, four  
9           people on that street have brain cancer.  
10          Two of them died, including my husband. I'm  
11          worried about the safety of our children  
12          there. Attorney Solfanelli has been pushing  
13          this. Maybe he should put it down at his  
14          ex-mother-in-law's place, at Capelini's over  
15          there, or at his ex-wife's house over on  
16          Clevio Street. I'm sure it wouldn't be  
17          accepted there either.

18                   MR. NOTARI: I'm with you.

19                   MS. WILK: It's not a good thing.

20                   MR. NOTARI: We wanted them to go  
21          through the proper steps and the proper  
22          channels. That's why they're at the  
23          planning commission.

24                   MS. WILK: And he's not going to  
25          give up. We know him all too well.

1 MR. FEBBO: Before we get that  
2 far --

3 ATTY. RINALDI: Can I say something?  
4 So there's no application for a cell tower  
5 on that property. What there is is a  
6 request by the landowner to change the  
7 zoning from residential to commercial.  
8 That's all that's pending right now. That's  
9 in front of planning for a recommendation  
10 only, and then ultimately council has the  
11 say.

12 If and when that would be changed to  
13 a commercial, which would allow cell towers,  
14 that would be a whole new process. But the  
15 first process, his application right now is  
16 they want to change that area from  
17 residential to commercial, which is --  
18 that's its own issue and that's what's in  
19 front of planning.

20 MS. WILK: I also -- Eugene  
21 Mariotti's a classmate of mine and I know  
22 what he's doing. He's wants to change it.  
23 He wanted to give it to the school, zero.  
24 Then I think he wanted something with the  
25 foundation.

1 MR. NOTARI: The deal was he was  
2 going to give the property to the school.  
3 He was going to make a donation to the  
4 foundry if the school would take the  
5 property, and then that fell through.

6 MS. WILK: You can't develop it. It  
7 is going to be a cell tower.

8 MR. FEBBO: Here again, Ms. Wilk,  
9 before it gets that far it's got to be  
10 changed, and then it's got to come before  
11 council again.

12 MS. WILK: Please consider it. I  
13 thank you very much.

14 MR. FEBBO: Don't we have to pool  
15 the neighborhood to get their input?

16 ATTY. RINALDI: We didn't get that  
17 far yet.

18 MR. PAPI: If you guys want to go  
19 forward, then we send out letters to  
20 everybody.

21 MR. FEBBO: All right.

22 MS. GIGUERE: I bought Mrs.  
23 Estolfi's house two and a half years ago.  
24 I'm a flight attendant. I fly to Newark.  
25 I'm laid off now, so I get to be home a

1           little bit more.

2                       But my complaint is this. I bought  
3 this house a two and a half years ago. I  
4 love it. I can't believe I'm still holding  
5 on to it. Anyway, I live about three doors  
6 down from Cooke's wholesale. Well, I talked  
7 to Gill about -- in July, the end of July.  
8 He has two compressors, they're trucks, and  
9 they're very loud. So I sit on my front  
10 porch and they're constantly going. I've  
11 been around the world. There's a lot of  
12 towns that you can't have that stuff happen.

13                      But anyway, I talked to Gill at the  
14 end of July -- and by the way, we had a  
15 really great neighborhood party. He has two  
16 trucks. One's a big, humongous  
17 tractor-trailer and the other one is one  
18 side of his business. I don't want to stop  
19 his business, but I just need a solution to  
20 the problem.

21                      Anyway, the compressors are very  
22 loud, so when I sit on my porch that's all  
23 you hear, is these compressors. All my  
24 friends that come and sit on my porch can  
25 hear them because it bounces off of one

1 house to my house. The house that it  
2 bounces of is Paul and Kelly Oustrich, and  
3 they're at 216 McClure. I'm at 217 McClure.

4 I did the neighborly thing and I  
5 talked to Gill at the end of July.

6 Unfortunately, he said he had dealt with it  
7 all his life. I'm not making the money and  
8 I don't care, but my point of the matter is  
9 he's never changed anything.

10 What I'm asking, I don't want to  
11 stop his business, but what I would like to  
12 do is for him to find a way to control the  
13 compressors before I take legal action. So  
14 I'm asking the council to sort of look into  
15 this and help me with this. I so appreciate  
16 any help that anybody can give me.

17 If you want to sit on my porch  
18 you're more than welcome because the porch  
19 is a porch. I live right on the corner, and  
20 if everybody knows the house that I bought,  
21 it's a great little house and I love it.  
22 But he hasn't done anything, and I would so  
23 appreciate if somebody can help me talk to  
24 him and change it.

25 He has a lot of property. He can

1 put something else with the compressors.  
2 But that's not my choice. But I'm giving  
3 him the option, since I already talked to  
4 him as a neighbor, to say hey, let's change  
5 this because the neighborhood is changing.  
6 There's houses being bought and redone and  
7 it's becoming a real nice neighborhood. I  
8 talked to him about it but he won't change  
9 it. If anybody can help me I'd appreciate  
10 it. That's all I need to say before I take  
11 legal action. Thank you so much. I  
12 appreciate you thinking about it.

13 MR. NOTARI: Can we send Paul over  
14 there to check to see if he's breaking our  
15 noise ordinance or not? I mean, I'm not  
16 sure what else --

17 MR. HOOVER: They've been there for  
18 years.

19 MR. FEBBO: Who is running that  
20 business now?

21 MS. GIGUERE: Gill. I talked to  
22 him. Ever since Jack died.

23 MR. FEBBO: Paul, can you, as a  
24 courtesy stop, just go over there.

25 MR. PAPI: I speak to Gill?

1 MS. GIGUERE: I had already talked  
2 to him and he said he was going to change  
3 things. He hasn't changed anything. One of  
4 the trucks is on the road with an expired  
5 inspection. It's hooked up to the building.

6 MR. FEBBO: Paul, follow up on that,  
7 give us an update at the meeting.

8 Chris Thomas?

9 MR. THOMAS: I'm just here -- my  
10 garden tools were in my front yard last  
11 November. It was garbage day. They weren't  
12 in a bag. No sticker on them. It was on  
13 top of an upside down recycling can because  
14 it was about to rain. I took my sister to  
15 work. When I came back the tools were gone.  
16 I asked my neighbor did you see anybody, she  
17 said the only people here were the garbage  
18 men.

19 At the time I had called the police.  
20 I thought somebody stole them out of my  
21 yard. Officer Kimbal and I tracked down the  
22 garbage men. They absolutely admitted to  
23 him they took the stuff. We thought it was  
24 garbage and that your guys didn't want them.  
25 No bag, no stickers, upside down recycling

1 bin.

2 So I contacted Marylynn, I contacted  
3 Bobby, I talked to Mr. Iacovazzi. There's  
4 been a couple -- I called over the summer.  
5 Mascaro, I went from one division to the  
6 other, back and forth. We were in the car  
7 driving back and forth to Philadelphia,  
8 still on the phone. The last I heard from  
9 Chairman Semenza was he had them out for  
10 garbage, we just took them. Okay, well I  
11 had them out for garbage with no stickers.

12 So now I have a bigger question for  
13 Mascaro. How many bags are you picking up  
14 without a sticker?

15 But it's been a year, \$200 worth of  
16 garden tools. I shouldn't have to go  
17 through that.

18 MR. FEBBO: I'm open for  
19 suggestions.

20 MS. BARTOLETTI: Just to let you  
21 know, after Mr. Thomas had contacted me I  
22 did speak to Mascaro on several occasions.  
23 We went from people in the office to the  
24 route manager, to his supervisor, to their  
25 sales director, and they all say that

1 they're going to do something and they're  
2 going to contact him, but then they also on  
3 the other side say there's no way to prove  
4 that it was Mascaro who actually took them.  
5 They can't be responsible every time  
6 something is left out. When the guys are  
7 there they usually try to take everything in  
8 the area that's left around, little odds and  
9 ends.

10 So like Mr. Thomas said, there were  
11 no stickers or anything on them, and they  
12 said they can't take responsibility for  
13 anything like that. But then a different  
14 person you speak to says yes, we'll look  
15 into it. We'll talk to Mr. Thomas, we'll  
16 work it out with him. So it is practically  
17 a year later and there's still no answer.

18 MR. THOMAS: I didn't even have a  
19 garbage bag that day. There was no reason  
20 for them to even be at my property. There  
21 was no garbage bags. So them picking up  
22 odds and ends, they didn't pick up a garbage  
23 bag from me. Officer Kimbal, who responded,  
24 stopped them on Marion Street and the two  
25 collectors admitted oh, we took them. He

1           didn't look, I didn't look. We didn't know  
2           if it was in the cab. They said to him it  
3           was already in the compactor.

4                   MR. FEBBO: So you have a police  
5           report on that?

6                   MR. THOMAS: I can tell you the date  
7           I called. Whether he filed a report I have  
8           no idea.

9                   MR. FEBBO: If there's a police  
10          report that's the only thing you have to go  
11          on.

12                   MS. BARTOLETTI: They're not denying  
13          it. They can't say one way or another.

14                   MR. THOMAS: They admitted that to  
15          the officer. He approached them, I didn't,  
16          and asked them about garden tools.

17                   MR. NOTARI: Our garbage contract is  
18          going to be up at the end of 2021.

19                   MS. BARTOLETTI: No, our garbage  
20          contract is up on June 30th.

21                   MR. NOTARI: That's going to be part  
22          of the budget process?

23                   MS. BARTOLETTI: Yes.

24                   MR. NOTARI: When will we send out  
25          RFPs?

1 MS. BARTOLETTI: March.

2 MR. NOTARI: All the problems we've  
3 had with Masacaro, and this is just another  
4 one.

5 MR. LETTIERI: We've talked about it  
6 with Pasariello and stuff like that. Would  
7 it be in our interest to bring Bobby to  
8 maybe hear what he has to say, maybe  
9 options --

10 MS. BARTOLETTI: We're in a contract  
11 right now.

12 MR. LETTIERI: Just to hear him out.

13 MAYOR LEGG: Mike, he can't handle  
14 this town.

15 MR. LETTIERI: I'm just saying, I  
16 mean, he's reached out to me that he wants  
17 to speak in front of council.

18 MR. NOTARI: When the contract is up  
19 and we start seeking providers, we can then  
20 give -- when we have an RFP, request for  
21 proposal, he can then submit whatever he  
22 wants to submit and come in front of us.

23 MR. LETTIERI: Because this Mascaro,  
24 it's every week with something with these  
25 guys.

1                   MAYOR LEGG: Last time the contract  
2 came up who applied? Did Waste Management?  
3 Mascaro? Do you remember anyone else?

4                   MS. BARTOLETTI: That was it the  
5 last time.

6                   MAYOR LEGG: I know County Waste has  
7 a pretty good reputation but I think they've  
8 been bought out the last couple months.

9                   MS. BARTOLETTI: In the meantime, I  
10 think the situation that's hanging with Mr.  
11 Thomas --

12                   ATTY. RINALDI: Well, I would get  
13 the police report from Kimbal.

14                   MR. THOMAS: Right after it happened  
15 they asked me for the cost of the equipment  
16 that was taken.

17                   MR. HOOVER: Now they're stringing  
18 him along and they're not going to pay him.

19                   MR. FEBBO: Give that information to  
20 the chief and see if he can follow up on the  
21 report.

22                   MR. THOMAS: I have October 22nd.  
23 If it's not the 22nd, the 29th.

24                   MR. NOTARI: Of this year?

25                   MR. THOMAS: 2019.

1 MR. FEBBO: So if there's no police  
2 report then he's high and dry?

3 ATTY. RINALDI: I would think if  
4 Kimbal made a call he does a report. Right,  
5 Chief?

6 CHIEF DUBERNAS: Usually.

7 MR. NOTARI: I think Mascaro should  
8 probably have a record of who was working  
9 that day as well.

10 MR. THOMAS: The same kid is still  
11 on the truck.

12 MR. FEBBO: So it all hinges on a  
13 police report.

14 MR. THOMAS: That's not a hinge for  
15 me, that's on you. I called the police.

16 MR. FEBBO: I understand that.  
17 Anything else? Anybody have anything else  
18 to bring before council? Our meeting is  
19 next week.

20 If not, I'll ask for a motion to  
21 adjourn.

22 MR. HOOVER: I'll make that motion.

23 MR. NOTARI: I'll second.

24 (Meeting adjourned.)
