1 after the meeting, but a lot of garbage in the parking lot. TVs are dumped there. 2 3 Could you contact Ray Petty and ask him to 4 clean that up? I was on my mom's porch and 5 I could see two black things down there. When I went to the parking lot there's two 6 7 big flat screen TVs. 8 Another thing -- and I spoke with 9 the chief about this. But we had talked about blocking that parking lot off at one 10 They did block it off with some rope 11 time. 12 at one time. There's always stuff --13 tractor-trailers are parking in there, kids 14 playing. At night it's a dead zone. You 15 can't see anything. There's no reason why 16 people have to access that area with that 17 supermarket being closed. 18 Chief, did you talk to anybody about 19 the easements? 20 CHIEF DUBERNAS: I didn't get an 21 answer back from my father-in-law. 22 MR. SEMENZA: There are some 23 driveways that back out into that parking 24 I would think that wouldn't have an lot. 25 Basically you can use the parking easement.

| 4 | MS. BARTOLETTI: They were told and |

| 6 | Eventually it went away and the owners did |
| 7 | not block it off again. |
| 8 | MR. LETTIERI: Well, they're liable, |
| 9 | correct, Mare, if anything happens? |
| 10 | MS. BARTOLETTI: Yes. |
| 11 | MR. FEBBO: Like Bobby said, it's |
| 12 | getting to be a trash zone and a hangout. |
| 13 | The only way you can block it off is with |
| 14 | concrete barriers. |
| 15 | MR. SEMENZA: That's all. Bill, |
| 16 | could they be forced into blocking that off |
| 17 | with concrete barriers, since that is all |
| 18 | vacant building? |
| 19 | ATTY. RINALDI: Well, it's their |
| 20 | private property. So maybe you want to tell |
| 21 | them that people are, what, short cutting |
| 22 | through it? |
| 23 | MR. SEMENZA: Short cutting through |
| 24 | it, there's garbage being dumped there. |
| 25 | It's a mess. |

12 1 CHIEF DUBERNAS: We've been throwing them out of there all along. We've been 2 3 getting complaints. The neighbor across the 4 street calls all the time. That's how we 5 found out a repo guy was stashing cars No plates or nothing on them. 6 there. 7 MR. SEMENZA: Even if they blocked 8 two of the three ingresses. As long as 9 there's, like you said, one way for you guys to get in there if need be or some kind of 10 11 personnel. But there's no reason why you 12 have to take that shortcut. 13 MR. TAGLIATERRA: There's no plans 14 on the board on anybody that's doing 15 anything with that building? 16 MR. SEMENZA: I haven't heard 17 anything yet. 18 MR. NOTARI: Can we ask them to at 19 least rope off the one entrance on Lawrence 20 and then the other entrance on George? 21 MR. SEMENZA: Paul, will you reach 22 out to him? Tell him council has concerns 23 about what's going on there, the garbage 24 being dumped, and we'd like maybe for you to 25 secure it somehow.

| 24 | back of this building. |
| 25 | If the chief could check some of |
| | |

| | 14 |

| 1 | those cars there. There's no inspection |
| 2 | stickers, no nothing, on the side of the |
| 3 | on Albion street. |
| 4 | The water company just paved Taroli |
| 5 | Street, and Eddie Orsleck called me today |
| 6 | sent me an e-mail about water laying in |
| 7 | front of his house. I asked Marylynn today. |
| 8 | Did we ever have a problem there with water |
| 9 | laying in front of his house? He said it |
| 10 | cost him \$3,000 to redo his driveway and he |
| 11 | didn't have any water going in there. It |
| 12 | kind of did away with it. The borough did |
| 13 | something for him. |
| 14 | Now, when the water company paved |
| 15 | the road |
| 16 | MR. SEMENZA: As long as I'm here I |
| 17 | don't remember |
| 18 | MR. HOOVER: He showed me today. |
| 19 | MR. PAPI: He came to the borough |
| 20 | building before. |
| 21 | MR. HOOVER: He showed me. He ran |
| 22 | the hose and the water does just lay in |
| 23 | front of his house. He said it didn't |
| 24 | before. |
| 25 | MR. SEMENZA: Were you the zoning |
| | |
| | |

| | 15 |
|----|---|
| 1 | officer then, Paul? |
| 2 | MR. PAPI: It was a long time ago. |
| 3 | I might have been doing both jobs. |
| 4 | MR. SEMENZA: I don't remember him |
| 5 | coming. |
| 6 | MR. PAPI: I don't remember us doing |
| 7 | any work there. I know he came to us, and |
| 8 | the problem was his building is too low. |
| 9 | Too close to the height of the street. He |
| 10 | did do some work there and we haven't heard |
| 11 | from him since. |
| 12 | MR. HOOVER: Now he's getting water |
| 13 | back. I called them today. They're going |
| 14 | to look at it. Maybe we should have the |
| 15 | MR. PAPI: He came up to the borough |
| 16 | building after one of the local monsoons. |
| 17 | MR. LOPATKA: We looked at it today. |
| 18 | It looks like it's kind of where the low |
| 19 | point of the road is. If they milled and |
| 20 | overlay all they did was take an inch and a |
| 21 | half off and put an inch and a half back. |
| 22 | MR. HOOVER: He's not going to go |
| 23 | away. |
| 24 | MR. SEMENZA: Is there a remedy for |
| 25 | it? |
| | |
| | |

| - | |
|----|--|
| | 16 |
| 1 | MR. LOPATKA: Not with paving. I |
| 2 | was there with Joe today. Looking at it, |
| 3 | there's pitch from both directions. It kind |
| 4 | of ends right there. |
| 5 | MR. SEMENZA: It pitches right to |
| 6 | him? |
| 7 | MR. LOPATKA: The only fix I could |
| 8 | see would be to put an inlet or two in. |
| 9 | Down the road there is an inlet about 200 |
| 10 | feet down the road, but it's on the opposite |
| 11 | side of the street. |
| 12 | MR. SEMENZA: Is that a storm or is |
| 13 | that a sewer? |
| 14 | MR. LOPATKA: That one, I think, is |
| 15 | storm. I think that's the one that goes |
| 16 | down and dumps into the Lackawanna down |
| 17 | behind Mariotti's. |
| 18 | MR. SEMENZA: Is there two lines |
| 19 | there, storm and sewer? |
| 20 | MR. NOTARI: There's two drains |
| 21 | there within because I looked the other |
| 22 | day. Two storm drains within a hundred feet |
| 23 | of each other. |
| 24 | MR. LOPATKA: Yeah. The closest one |
| 25 | to that low spot is probably 150, 200 feet |
| | |

| r | |

| | 17 |
| 1 | down the road. |
| 2 | MR. SEMENZA: If it's a combined |
| 3 | system we can't do that. |
| 4 | MR. FEBBO: Didn't that system end |
| 5 | at the top of the hill, at the corner, and |
| 6 | go down the other way? |
| 7 | MR. SEMENZA: I don't know. |
| 8 | MR. FEBBO: Moniak's house. |
| 9 | MR. SEMENZA: It definitely doesn't |
| 10 | go right. It goes left. I know it goes |
| 11 | left. |
| 12 | MR. PAPI: Storm water goes left. |
| 13 | MR. SEMENZA: I don't know if |
| 14 | there's anything on Taroli, at the bottom. |
| 15 | That goes right by Jeffers' house. |
| 16 | MR. PAPI: There is a storm drain on |
| 17 | Taroli in front of Mike Zupon's house. |
| 18 | MR. SEMENZA: John. Is that just |
| 19 | storm? |
| 20 | MR. PAPI: Yeah, as far as I know. |
| 21 | MR. SEMENZA: How do we find that |
| 22 | out? |
| 23 | MR. LOPATKA: We can check it. It |
| 24 | would be pretty obvious. |
| 25 | MR. PAPI: In my opinion there's a |
| | |
| | |

| | 18 |
|----|--|
| 1 | big sewer drain in that so-called alleyway |
| 2 | off of Morton Street, and I think that storm |
| 3 | drain between Zupon and Fumanti goes between |
| 4 | the properties and taps into the sewer. It |
| 5 | goes right through Morton Street. There is |
| 6 | a lot of flow in that. |
| 7 | MR. SEMENZA: That's the one we had |
| 8 | issues with. Right? |
| 9 | MR. PAPI: Yes. We fixed a large |
| 10 | section of it. |
| 11 | MR. SEMENZA: Anybody else have |
| 12 | anything for Paul? That's it? |
| 13 | Joe, DPW/street commissioner's |
| 14 | report. Everybody has Joe's report in their |
| 15 | packet. Joe, anything to add? |
| 16 | MR. LENCESKI: Not to the report. |
| 17 | MR. SEMENZA: Anybody have any |
| 18 | questions on Joe's report? No? Okay. |
| 19 | MR. LENCESKI: I'd like to add that |
| 20 | Pat Stassi notified me, 225 Moosic Road, and |
| 21 | he spoke with a representative from PennDOT, |
| 22 | and she said that if we called her she'd |
| 23 | explain the situation. What Mr. Stassi |
| 24 | wants is to eliminate that crosswalk. |
| 25 | MR. SEMENZA: Is it write in front |
| | |

| | 19 |
|----|--|
| 1 | of his building there? |
| 2 | MR. LENCESKI: In front of his |
| 3 | house. |
| 4 | MR. HOOVER: Talking about that |
| 5 | handicap one we just put in? |
| 6 | MR. SEMENZA: He wants just the |
| 7 | lines off the road? |
| 8 | MR. LENCESKI: I have a number for |
| 9 | Trish at PennDOT. She said we can call her |
| 10 | right now and she'd explain the situation. |
| 11 | She said before they closed out the job that |
| 12 | they already went there and looked at the |
| 13 | job, their engineers or what not, and if it |
| 14 | was okayed by council and the borough |
| 15 | manager they would go ahead |
| 16 | MR. SEMENZA: Come up here with your |
| 17 | phone. |
| 18 | MR. RUSSELL RINALDI: She wants us |
| 19 | to call her now? |
| 20 | MR. NOTARI: Should we do this now |
| 21 | or in executive? |
| 22 | MR. LENCESKI: It's a low-lying |
| 23 | area. It's covered with dirt. Before they |
| 24 | close this out they will eliminate it with |
| 25 | no cost to the borough. They'll put the |
| | |

| | 20 |
|----|--|
| 1 | correct signage up. If council is okay with |
| 2 | it they will actually eliminate it. |
| 3 | MR. SEMENZA: I don't have an issue |
| 4 | with it. It's the resident that it's in |
| 5 | front of. |
| 6 | MR. NOTARI: It's not his property. |
| 7 | Correct? |
| 8 | MR. SEMENZA: Right. |
| 9 | MR. HOOVER: There's one across the |
| 10 | street. |
| 11 | MR. SEMENZA: You're going to have |
| 12 | to eliminate the other one across the street |
| 13 | also. |
| 14 | MR. LENCESKI: No. |
| 15 | MR. HOOVER: We only did the one in |
| 16 | front of Stassi's house. |
| 17 | ATTY. RINALDI: How does a |
| 18 | handicapped person come across the street, |
| 19 | is the question. Do they have to go the |
| 20 | other way and around? |
| 21 | MS. BARTOLETTI: I believe |
| 22 | Mrs. Prisky could answer that better than I |
| 23 | could. |
| 24 | MR. NOTARI: You have to go to one |
| 25 | of the corners. It's in the middle of the |
| | |
| | |

| | 21 |
|----|---|
| 1 | street. Who is going to come and fix the |
| 2 | curb, PennDOT? |
| 3 | MR. LENCESKI: Yes. It will match |
| 4 | the existing sidewalk. |
| 5 | MR. RUSSELL RINALDI: Joe, I'd have |
| 6 | to see it to get an exact vision of it. |
| 7 | Would we be limiting any handicapped person |
| 8 | trying to cross the road? They'd just have |
| 9 | to go down a little further? Up a little |
| 10 | further? |
| 11 | MR. LENCESKI: Mrs. Prisky said they |
| 12 | did a study and they're okay with it. |
| 13 | MR. SEMENZA: Was there a handicap |
| 14 | spot there beforehand? |
| 15 | MR. LENCESKI: No. |
| 16 | MR. NOTARI: It was a flat curb. |
| 17 | MR. SEMENZA: Then I don't have an |
| 18 | issue with it. |
| 19 | MR. HOOVER: It was an additional |
| 20 | one they made me put in. |
| 21 | MR. NOTARI: I don't need any |
| 22 | explanation, but there are those all over |
| 23 | town now. Is everybody going to come back |
| 24 | now and not want that in front of their |
| 25 | home? |
| | |

| | 22 |
|----|---|
| 1 | MR. LENCESKI: The only opportunity |
| 2 | Mr. Stassi has to have it changed is before |
| 3 | they close out the job. |
| 4 | MR. FEBBO: It's an unusual |
| 5 | circumstance because there's not another |
| 6 | corner on that corner. |
| 7 | MR. HOOVER: It's at Moosic and |
| 8 | Maxson Drive. |
| 9 | MR. FEBBO: You cross the street, |
| 10 | most of our intersections |
| 11 | MR. NOTARI: There's no corner |
| 12 | there. |
| 13 | MR. PAPI: In a heavy rain it drops |
| 14 | all the dirt there. That's why he's |
| 15 | complaining. |
| 16 | MR. HOOVER: I don't have a problem |
| 17 | having them move it. If someone comes down |
| 18 | in a wheelchair and they have to go across |
| 19 | the street they're going to have to go to |
| 20 | either Race or cross up at First. |
| 21 | ATTY. RINALDI: Why did they make |
| 22 | you put one there? |
| 23 | MR. HOOVER: There's one across the |
| 24 | street. |
| 25 | MR. SEMENZA: All right. Anything |
| | |

| 1 else? 2 MR. LENCESKI: No. 3 MR. NOTARI: So are we going to tere 4 them to go ahead and do it? 5 MR. SEMENZA: Bring a motion to the 6 floor. Do we need to make a motion? 7 ATTY. RINALDI: Yes, I guess so. 8 MR. | 12 | for Joe? Joe, it's coming to the season. |
| 13 | Are our plows and everything ready to go? |
| 14 | MR. LENCESKI: When we took them off |
| 15 | prior to putting them in the ambulance |
| 16 | building we greased everything and did all |
| 17 | the maintenance that we needed to. Monday |
| 18 | we just took them out of the ambulance |
| 19 | building and brought them back to DPW. |
| 20 | We're ready to roll. |
| 21 | MR. SEMENZA: Dave, engineer's |
| 22 | report. Everybody has Dave's report in the |
| 23 | packet. Dave, have anything to add? |
| 24 | MR. LOPATKA: I do not. |
| 25 | MR. SEMENZA: Anybody have any |

| 1 | questions for Dave? |
| 2 | MR. HOOVER: On Fallon Street, |
| 3 | obviously they're putting a water main in |
| 4 | there. They have to do the servicing yet. |
| 5 | DeAndriole, on the corner of Hayes, he asked |
| 6 | me about the crown in the road. That one |
| 7 | block the crown in the road is pretty high. |
| 8 | He was wondering if we can get rid of the |
| 9 | crown in the road. Now, again, the water |
| 10 | company would only mill and overlay the |
| 11 | whole road. It's going to be the same. He |
| 12 | wants to know if we can just mill the middle |
| 13 | of the road down a little bit more. The |
| 14 | crown is pretty high. You'll see when you |
| 15 | drive up it. Take a peek, let me know. |
| 16 | It's from Alicia to East Mary. |
| 17 | MR. NOTARI: Make sure it doesn't |
| 18 | affect the water runoff. |
| 19 | MR. SEMENZA: Anything else? |
| 20 | MR. HOOVER: No. |
| 21 | MR. SEMENZA: Anybody else for Dave? |
| 22 | MR. FEBBO: How about an update on |
| 23 | the ambulance building. |
| 24 | MR. LOPATKA: I stopped there today |
| 25 | with Joe. It's all dug out and they are |
| | |

| | 26 |
|----|---|
| 1 | going to pour it, I think, next Monday or |
| 2 | Tuesday. Two pours. One inside and one |
| 3 | outside. |
| 4 | MR. SEMENZA: Who is the contractor |
| 5 | pouring? |
| 6 | MR. LENCESKI: PK Masonry. |
| 7 | MR. SEMENZA: Earthworks did the |
| 8 | excavation. Who is doing the heating? |
| 9 | MS. BARTOLETTI: Bobby Giglio. |
| 10 | MR. SEMENZA: Electrical? |
| 11 | MS. BARTOLETTI: No. |
| 12 | MR. SEMENZA: Who is doing the door? |
| 13 | MS. BARTOLETTI: The door company |
| 14 | that was the original. |
| 15 | MR. FEBBO: That will be ready when? |
| 16 | MR. LOPATKA: It will be poured |
| 17 | by Tuesday they'll be done pouring, so it |
| 18 | should be ready a couple days afterwards. |
| 19 | MR. SEMENZA: Typically we want to |
| 20 | wait a little bit to put a truck like that |
| 21 | on there. |
| 22 | MR. LOPATKA: At least a week. |
| 23 | MR. SEMENZA: You guys obviously |
| 24 | know what's going on there, so everything's |
| 25 | good with that? |

| 1 | MR. LOPATKA: Yes. |
| 2 | MR. SEMENZA: When will we be ready |
| 3 | for them to move their stuff into there? |
| 4 | MR. NOTARI: October 5th. |
| 5 | MS. BARTOLETTI: I have it all here. |
| 6 | What we were planning is October 2nd is |
| 7 | going to be the final day working in the |
| 8 | regular part of the borough building. So |
| 9 | the following Monday, the 5th, they're going |
| 10 | to be able to seal off the building and |
| 11 | start doing the demolition. That gives us a |
| 12 | little bit more time for the fire truck to |
| 13 | stay where it is. |
| 14 | MR. LOPATKA: At least another week, |
| 15 | week and a half. |
| 16 | MR. NOTARI: Not until the 12th or |
| 17 | the 15th? |
| 18 | MR. LOPATKA: Somewhere in there. |
| 19 | MR. SEMENZA: I know it's a |
| 20 | temporary thing, but are we going to is |
| 21 | inspection on this project going on I |
| 22 | know it's a small concrete pour, but I want |
| 23 | to make sure it's six inches. |
| 24 | MR. LOPATKA: I met Joe down there |
| 25 | today. We looked at what's dug out. We'll |
| | |
| | |

28 1 put mesh in, six inches. I think they have to final grade it and form it. We took 2 3 measurements today, too. We're going to leave -- I believe it's 11'11" from the top 4 5 of the door to the floor. The truck we measured at 11'6". 6 MR. HOOVER: Everything for Gary is 7 8 set? 9 MS. BARTOLETTI: Gary is moving into 10 Saint Lawrence's Church basement. DPW is 11 ready to go. They moved all his stuff out. 12 MR. FEBBO: I think we're all happy 13 to see that. We made a lot of progress with 14 Joe, Dave, and even PK and Earthworks and 15 Giglio, and Marylynn coordinating the whole 16 Last month at this time we didn't thing. 17 know where we were going. As we sit here 18 tonight it seems like we've answered a lot 19 of problems. Even Gary going down to the 20 church. We did a great job of getting 21 things together, moving forward. It's only been five and a half years. 22 23 MR. SEMENZA: Anybody else for Dave? 24 Thanks, Dave. 25 Chief. Everybody has his report.

| | 29 |
| 1 | Chief, anything to add? |
| 2 | CHIEF DUBERNAS: This Saturday |
| 3 | Marion Street Park it was on our Facebook |
| 4 | page. We passed out flyers to all the |
| 5 | preschools both in Old Forge and Moosic. A |
| 6 | lot of kids in Old Forge go to the |
| 7 | Itsy-Bitsy in Moosic. They're doing a car |
| 8 | seat check at the Marion Street park from 9 |
| 9 | until 1 this Saturday. It's part of the |
| 10 | Buckle Up grant we received for the last |
| 11 | three weeks. That's it. Just the Matt |
| 12 | Brown thing. |
| 13 | MR. SEMENZA: Anybody have any |
| 14 | questions for Chief Dubernas? Chief, I have |
| 15 | one request to do a traffic study. I had a |
| 16 | resident that lives in the vicinity of |
| 17 | Church, Vine and Maple. They asked for a |
| 18 | stop sign. I said I could ask the chief to |
| 19 | do a traffic study there and see if it's |
| 20 | worthy of one. So see where you can put one |
| 21 | there, if you could. If you can't, it is |
| 22 | what it is. |
| 23 | CHIEF DUBERNAS: Also, I got with |
| 24 | Joe about the softball tournament this |
| 25 | weekend, Saturday and Sunday. There's going |
| | |

| | 30 |
|----|--|
| 1 | to be a cop there all day long for both |
| 2 | days. |
| 3 | MR. SEMENZA: Thank you. I've been |
| 4 | seeing officers at the park having their |
| 5 | presence shown. Sometimes they get called |
| 6 | out on a call and they have to go. But for |
| 7 | the most part I saw officers there. I got |
| 8 | the schedule. |
| 9 | CHIEF DUBERNAS: Do you know if the |
| 10 | parks are going to go into October? |
| 11 | MR. SEMENZA: I believe early |
| 12 | October. I'll get you the definite. It |
| 13 | depends on how far the little league makes |
| 14 | it in their playoffs. |
| 15 | MS. BARTOLETTI: We usually keep |
| 16 | them open until just before Halloween. |
| 17 | MR. SEMENZA: Anybody have anything |
| 18 | else for the chief? Chief, thank you. |
| 19 | Bill, solicitor's report. Everybody |
| 20 | has Bill's report. Bill, anything to add? |
| 21 | ATTY. RINALDI: Because the bank did |
| 22 | not get the commitment letter to me as quick |
| 23 | and they still owe me a note, maybe what |
| 24 | we'll do is advertise for a special meeting |
| 25 | before the work session for the ordinance. |
| | |

| | 31 |
|----|--|
| 1 | Otherwise, the only other additions |
| 2 | I have are a lease termination for the Old |
| 3 | Forge Hose & Engine Company and a new lease |
| 4 | for the Old Forge Hose & Engine Company for |
| 5 | the ambulance building. |
| 6 | MR. SEMENZA: Chief, are you guys |
| 7 | aware of both of them changes? |
| 8 | ATTY. RINALDI: We can sign them, |
| 9 | give them to them. It's pretty much |
| 10 | straightforward. It's a dollar for six |
| 11 | months. If it needs to go another month or |
| 12 | two it's not an issue. Rent free. We pay |
| 13 | everything. We're terminating the old one. |
| 14 | We'll get it approved here and get it to you |
| 15 | guys. |
| 16 | MR. NOTARI: Bill, in your report |
| 17 | you have the letter regarding garbage |
| 18 | collection. Do we need to approve that |
| 19 | tonight? |
| 20 | ATTY. RINALDI: It's up to |
| 21 | everybody. I just drafted it and put it in |
| 22 | there. It hasn't been sent yet. Just for |
| 23 | everybody's input. |
| 24 | MR. PAPI: Our ordinance, actually |
| 25 | it contradicts itself, and I got a new |
| | |
| | |

| | 32 |
|----|--|
| 1 | ordinance from Duryea which I think is much |
| 2 | better than ours. Unfortunately, I forgot |
| 3 | to bring it tonight. |
| 4 | MR. NOTARI: How does ours |
| 5 | contradict? |
| 6 | MR. PAPI: It says one thing and |
| 7 | then it says another. You have to read it. |
| 8 | ATTY. RINALDI: People can contract. |
| 9 | It just cost them more money. That's why I |
| 10 | put that in the letter. |
| 11 | MR. PAPI: They're the only ones in |
| 12 | the whole area that do this. They license |
| 13 | their solid waste garbage haulers. |
| 14 | MR. NOTARI: That's what we're |
| 15 | supposed to do. |
| 16 | MR. PAPI: They charge a hundred |
| 17 | dollars a year. |
| 18 | MR. SEMENZA: It's a thing in their |
| 19 | window. |
| 20 | MR. PAPI: Then they just fill out a |
| 21 | form, hand it in to the borough, give them a |
| 22 | thousand dollars and they're good for a |
| 23 | year. |
| 24 | MR. SEMENZA: We visited many |
| 25 | avenues for garbage pick up. Right, |
| | |

| | 33 |
|----|---|
| 1 | Marylynn? Didn't it seem like it was the |
| 2 | best fit for the borough? |
| 3 | MS. BARTOLETTI: Yes. |
| 4 | MR. SEMENZA: Whether some residents |
| 5 | don't like it or not. We start being open |
| 6 | on Monday nights for residents to go to the |
| 7 | borough building to pick up stickers. We |
| 8 | now have online sales for stickers you can |
| 9 | get mailed to your house. So, I mean, we |
| 10 | can talk, but if anybody has any better |
| 11 | ideas. |
| 12 | ATTY. RINALDI: The only thing you |
| 13 | might want to do tonight is you do not have |
| 14 | a fee for your garbage licenses that I |
| 15 | found. |
| 16 | MR. PAPI: Duryea charges a hundred. |
| 17 | ATTY. RINALDI: It should go along |
| 18 | with how long it take Paul to check out the |
| 19 | information on the application. |
| 20 | MR. SEMENZA: Fees for what, a |
| 21 | contractor to come in? |
| 22 | ATTY. RINALDI: No, the fee for the |
| 23 | garbage hauler's license. |
| 24 | MR. SEMENZA: So you're saying for |
| 25 | any other contractor to be picking up |
| | |
| | |

| | 34 |
|----|--|
| 1 | garbage in the borough? |
| 2 | ATTY. RINALDI: They're all supposed |
| 3 | to have a license with the borough. |
| 4 | MR. SEMENZA: Wouldn't that just |
| 5 | fall under a contractor's license? |
| 6 | ATTY. RINALDI: No, you have a |
| 7 | separate license for garbage haulers. |
| 8 | MR. NOTARI: For commercial garbage |
| 9 | haulers. |
| 10 | MR. SEMENZA: What is the permit |
| 11 | for, like, if I was a contractor to build |
| 12 | homes? What is my yearly |
| 13 | MR. PAPI: A hundred dollars for a |
| 14 | new home. |
| 15 | MR. SEMENZA: No, I'm saying I'm a |
| 16 | contractor and I build homes in the borough |
| 17 | of Old Forge. I have to have a license to |
| 18 | do that. What's that cost? |
| 19 | MR. PAPI: One hundred dollars. |
| 20 | MR. SEMENZA: That should be the |
| 21 | same for any other kind of garbage hauler or |
| 22 | dog catcher, whatever. |
| 23 | MR. PAPI: That's what Duryea |
| 24 | charges, \$100 garbage hauler fee. |
| 25 | MR. HOOVER: Is it the same for |
| | |
| | |

| _ | |
|----|--|
| | 35 |
| 1 | utility contractor? |
| 2 | MR. SEMENZA: It can be the same for |
| 3 | everybody. |
| 4 | MR. PAPI: Meaning what? |
| 5 | MR. HOOVER: A contractor installing |
| 6 | gas mains. If a contractor wants to come in |
| 7 | and install a gas main on a block. |
| 8 | MR. SEMENZA: Say you install gas |
| 9 | mains, like TSE. They have to have a |
| 10 | contractor's license to work in the borough |
| 11 | of Old Forge. Correct? |
| 12 | MR. PAPI: No. |
| 13 | MR. SEMENZA: Why not? |
| 14 | MR. PAPI: I don't know. We never |
| 15 | did that. |
| 16 | MR. SEMENZA: Shouldn't every |
| 17 | contractor that works in the borough of Old |
| 18 | Forge have a contract? |
| 19 | MR. PAPI: We never charged a |
| 20 | contractor a license fee for garbage hauling |
| 21 | before. Never. |
| 22 | MR. SEMENZA: If you guys want to |
| 23 | bring some ideas to the table with that. |
| 24 | But I think anybody that does work in the |
| 25 | borough –– |
| | |
| | |

36 MR. NOTARI: I'd like to see the 1 copy of the ordinance that Paul got from 2 3 Duryea because I don't really think there's 4 anything wrong with the garbage collection 5 ordinance that we have now. I'm willing to read what Paul has. 6 MR. SEMENZA: Paul, could you have 7 8 Marylynn e-mail all of us that ordinance. 9 MR. HOOVER: I believe Marylyn asked to have a meeting about this, about all the 10 11 fees. 12 ATTY. RINALDI: Before you send a 13 letter let's figure out what the fee is. 14 MR. HOOVER: We have to get a 15 meeting with Geoscience, too. 16 MR. SEMENZA: Anything else? 17 MR. NOTARI: No. 18 MR. SEMENZA: Anything else for 19 Thanks, Bill. Bill, do you have Bill? 20 anything else? 21 ATTY. RINALDI: No, just the fee 22 issue. 23 MR. SEMENZA: Marylynn? 24 MS. BARTOLETTI: Okay. First, do we 25 have any other questions on anything going

| 1 2 3 4 | 37 on with the ambulance? I think we covered |
|------------------|---|
| 2 3 | on with the ambulance? I think we covered |
| 3 | |
| | all that. |
| 4 | The borough building, we just have |
| | to sign the contract. Bobby, maybe we'll do |
| 5 | that later or tomorrow. I told you October |
| 6 | 2nd is the day we're going to close it off. |
| 7 | Tonight, on the agenda we're going |
| 8 | to purchase a Case loader for the DPW, and |
| 9 | we're also going to purchase an attachment |
| 10 | that goes along with it. The total cost is |
| 11 | \$65,782.75. It's in the budget, but we're |
| 12 | going to pass it tonight as a formality so |
| 13 | it's on the books. |
| 14 | Do any of you have any questions on |
| 15 | any of my financial reports? |
| 16 | One more thing we have to discuss |
| 17 | tonight are the 2021 minimum municipal |
| 18 | obligations. First one is for the police |
| 19 | pension, and that one is \$21,084. |
| 20 | The second one is for the Old Forge |
| 21 | Borough administrative pension plan for |
| 22 | \$14,0398. It was on the agenda. |
| 23 | And I just have a couple things for |
| 24 | executive session. |
| 25 | MR. PAPI: I did talk to Sandy last |
| | |

| _ | |

| | 38 |
| 1 | week. I think she was supposed to e-mail |
| 2 | that to you guys. I had given her a copy of |
| 3 | the ordinance. |
| 4 | MR. SEMENZA: I didn't see it in |
| 5 | there. |
| 6 | MR. PAPI: Either way, I'll get it |
| 7 | to you tomorrow. |
| 8 | MR. SEMENZA: Anything else, |
| 9 | Marylynn? |
| 10 | MS. BARTOLETTI: No. |
| 11 | MR. SEMENZA: Anybody have any |
| 12 | questions for Marylynn? |
| 13 | MR. NOTARI: Marylynn, have we |
| 14 | started the process on transferring the land |
| 15 | at the pit to the school? |
| 16 | MS. BARTOLETTI: No. I thought that |
| 17 | was not going to happen. That's what I |
| 18 | thought the last words were, that they were |
| 19 | no longer interested. |
| 20 | MR. SEMENZA: I thought the same |
| 21 | thing. |
| 22 | MS. BARTOLETTI: Shortly after they |
| 23 | said yes, then I got another e-mail saying |
| 24 | they were no longer interested. |
| 25 | MR. NOTARI: From Doctor Keating? |
| | |

| | 39 |
|----|--|
| 1 | MS. BARTOLETTI: Yes. Mare, are we |
| 2 | going to schedule a finance meeting soon? |
| 3 | MS. BARTOLETTI: Definitely. |
| 4 | MR. NOTARI: Get started on the |
| 5 | budget. It's that time. Right? |
| 6 | MS. BARTOLETTI: Absolutely. I'd |
| 7 | like to wait until after the move. Maybe |
| 8 | the second week in October, somewhere around |
| 9 | there. |
| 10 | MR. SEMENZA: Have you heard |
| 11 | anything from the police union, Marylynn? |
| 12 | MS. BARTOLETTI: No. |
| 13 | MR. SEMENZA: Their contract is up |
| 14 | in |
| 15 | MS. BARTOLETTI: December 31st. |
| 16 | MR. SEMENZA: Anybody have anything |
| 17 | for Marylynn? At this time the chair is |
| 18 | going to go to public comment. AJ? |
| 19 | MR. LEVAN: I'm just looking for an |
| 20 | update on, in July, the water runoff from |
| 21 | Smith Street into my yard. |
| 22 | MR. SEMENZA: We spoke about this |
| 23 | last meeting? |
| 24 | MS. BARTOLETTI: You should probably |
| 25 | talk to Dave and Joe. |
| | |
| | |

| | 40 |
|----|--|
| 1 | MR. LOPATKA: Me and Paul met out |
| 2 | there. I'm waiting for a quote from a |
| 3 | contractor to do a fix. |
| 4 | MR. SEMENZA: We did speak about it |
| 5 | at our last meeting. We sent our engineer |
| 6 | out there. |
| 7 | MR. LEVAN: I was there when he |
| 8 | came. |
| 9 | MR. SEMENZA: Okay. So we're in the |
| 10 | process now of waiting. |
| 11 | MR. HOOVER: What are we doing |
| 12 | there? |
| 13 | MR. LOPATKA: When they paved it the |
| 14 | water kind of comes down into the one |
| 15 | corner. It kind of jumps that little area. |
| 16 | I think we'll have to cut some of the edge |
| 17 | of the road out and back into that driveway. |
| 18 | I mean, we have to talk to the neighbor, I |
| 19 | guess, about what has to happen there. But |
| 20 | we're going to have to build that up around |
| 21 | the corner so the water funnels its way out |
| 22 | and into the road. |
| 23 | MR. LEVAN: I went and bought cold |
| 24 | patch and built up my own dam, and the water |
| 25 | just either goes over it or around it. It |
| | |
| | |

| 20 | MR. HALUSKA: John Haluska, 599 |
| 21 | Milwaukee, Old Forge. The Hometown Hero |
| 22 | program has been a success, as you're all |
| 23 | aware, and my reason tonight is twofold. |
| 24 | It's to thank the borough, DPW, Marylynn, |
| 25 | the mayor, police department for all your |
| | |
| | |

| | 44 |
|----|---|
| 1 | cooperation in getting these banners up as |
| 2 | they come down from natural causes, |
| 3 | weather-related wind storms, whatever. |
| 4 | The second reason is we lost our |
| 5 | communications with the tri-borough. So the |
| 6 | program is still going on. We're not openly |
| 7 | canvassing for new applications, but any |
| 8 | veteran or family member with a veteran is |
| 9 | still eligible to put them up. I think we |
| 10 | put up probably a dozen this year. Again, I |
| 11 | want to thank the borough for your |
| 12 | cooperation. |
| 13 | My primary reason for coming is |
| 14 | to I think the borough should thank Rick |
| 15 | Melucci. He goes above and beyond his time. |
| 16 | He's a contractor, he's still working. Rick |
| 17 | is out there with his truck fixing the |
| 18 | banners as they're hit, and I think the |
| 19 | borough should give him an acknowledgment. |
| 20 | Maybe a plaque or something, would be a |
| 21 | suggestion on my part. He's a true veteran |
| 22 | in every sense. I don't use the word hero a |
| 23 | lot. It's overused in the military. But in |
| 24 | my respect the guy is an everyday hero. |
| 25 | When he sees a banner down he's there. We |
| | |

| | 45 |
|----|--|
| 1 | lost, I think, two or three. We replaced |
| 2 | them at no cost to the owners, the sponsors. |
| 3 | The program is ongoing, it's very |
| 4 | successful, and a lot of people said well, |
| 5 | after three years we thought the program was |
| 6 | going to end. It's not going to end, as far |
| 7 | as I can tell. There's still interest in |
| 8 | it. As long as I have people that are |
| 9 | interested we'll continue it. |
| 10 | But Rick and I have been the primary |
| 11 | along with John O'Hearn and Leo McLane and |
| 12 | Marylynn. We're the five nucleus that are |
| 13 | going this keep with the borough's support. |
| 14 | I just want to thank you people for your |
| 15 | support. It's an ongoing program, and I |
| 16 | think Rick should get something from the |
| 17 | borough. |
| 18 | MR. SEMENZA: I'd like to let the |
| 19 | record show that I thank all you guys for |
| 20 | doing what you do, and I thank you for your |
| 21 | service to this country also. I think it's |
| 22 | a wonderful thing, the Hometown Heros. I |
| 23 | think the town needed something like that. |
| 24 | I just want to be on the record saying thank |
| 25 | you and Rick Melucci and everybody involved. |
| | |
| | |

| | 46 |
|----|--|
| 1 | MS. BARTOLETTI: John, I'd just like |
| 2 | to let you know we still have a waiting list |
| 3 | at the borough. Anybody who calls, we've |
| 4 | been putting them on a list. So we can |
| 5 | probably do an order soon. |
| 6 | MR. SEMENZA: Anything else? Thank |
| 7 | you very much. |
| 8 | ATTY. SOLFANELLI: I was here last |
| 9 | month. I know we had voted on a request I |
| 10 | submitted I'm David Solfanelli. I'm here |
| 11 | on behalf of Summit Tower, LLC. We |
| 12 | submitted a general application for rezoning |
| 13 | of several parcels off Marion Street, and |
| 14 | last month they were both it was brought |
| 15 | up to forward the application to the |
| 16 | planning commission of the county and the |
| 17 | borough for review per the zoning code and, |
| 18 | as a prerequisite, the borough hearing and |
| 19 | deciding on the request itself. I think |
| 20 | there had been some confusion about the |
| 21 | procedure, whether that was the vote on the |
| 22 | zoning request. I think we got a little |
| 23 | muddled. |
| 24 | So I sent everybody an e-mail |
| 25 | yesterday. Basically I'm asking that my |
| | |

47 1 client have an opportunity to go through the process and be heard and questioned on the 2 3 merits. I know some people have concerns 4 about the proposed project. We'd like the 5 opportunity to be asked those questions and have them answered for you in a public 6 7 hearing. 8 To clarify, the vote that I'm asking 9 to resubmit -- of course, planning is part of the process -- it is not a determination 10 11 on the question and it will come back here 12 to you for a hearing to vote before any 13 zoning change is made. 14 So, based on that I ask that you 15 accept my application once more and forward 16 it to planning. 17 MR. SEMENZA: Anybody have any 18 questions for Mr. Solfanelli? No questions? 19 Well, at this time the chair will put a 20 motion to the floor to resubmit the 21 application for zoning for Summit Towers. 22 MR. NOTARI: I'll make that motion. 23 MR. SEMENZA: By Councilman Notari. 24 Second? 25 MR. LETTIERI: I'll second it.

| 14 | hiring. Garrett Gleason was hired four |
| 15 | years ago, almost to the date. Up until |
| 16 | this date he's still not received his |
| 17 | license. It is my duty as a councilman to |
| 18 | follow the rules here, and it's a hard |
| 19 | decision I have to make but I have to put |
| 20 | this motion to the floor. |
| 21 | MR. HOOVER: I'll make that motion. |
| 22 | MR. SEMENZA: By Councilman Hoover. |
| 23 | MR. NOTARI: I'll second it. |
| 24 | MR. SEMENZA: Seconded by Councilman |
| 25 | Notari. On the question? Public input? |

| 2 | MS. BARTOLETTI: Councilwoman |
| 3 | Avvisato? |
| 4 | MS. AVVISATO: Yes. |
| 5 | MS. BARTOLETTI: Councilman Febbo? |
| 6 | MR. FEBBO: Abstain. |
| 7 | MS. BARTOLETTI: Councilman Hoover? |
| 8 | MR. HOOVER: Yes. |
| 9 | MS. BARTOLETTI: Councilman |
| 10 | Lettieri? |
| 11 | MR. LETTIERI: Abstain. |
| 12 | MS. BARTOLETTI: Councilman Notari? |
| 13 | MR. NOTARI: Before I vote, I'd like |
| 14 | to know the reason for abstention. I |
| 15 | believe we need by both councilmen. We |
| 16 | need a reason. |
| 17 | MR. LETTIERI: My reason for |
| 18 | abstention is because this was going on |
| 19 | before I was elected into the council. To |
| 20 | my understanding it was granted to him, more |
| 21 | time, from council. So I basically don't |
| 22 | know all the details on everything that's |
| 23 | been going on since he was with the DPW. |
| 24 | That's why I'm abstaining. |
| 25 | MR. FEBBO: My reason is that, |
| | |

| | 62 |
|----|--|
| 1 | again, I agree with everything that you guys |
| 2 | said time-wise. I think we're all guilty of |
| 3 | overlooking it the last couple years because |
| 4 | it did slip by us. He did have enough time |
| 5 | to get it. |
| 6 | But that being said, with this virus |
| 7 | and so on, we gave him time to get it and he |
| 8 | made every effort to make an attempt to get |
| 9 | it. At our last meeting we decided to |
| 10 | suspend him whereby we took out his ability |
| 11 | to get the test because he doesn't have a |
| 12 | vehicle. The only vehicle that he would |
| 13 | have access to is the packmaster, which he |
| 14 | studied on and is what he would have to fill |
| 15 | in on. |
| 16 | So that being said, he could not use |
| 17 | that because of insurance purposes. |
| 18 | Therefore, he could not take the test. I |
| 19 | think that anytime you need to take a test |
| 20 | for anything you have to have a tool. If |
| 21 | you don't have the tool you can't take the |
| 22 | test. |
| 23 | Therefore, I abstain on that. But |
| 24 | if you want a vote on that I'll vote that |
| 25 | I'm not in favor of firing him. |
| | |
| | |

| | 63 |
|----|---|
| 1 | MR. NOTARI: I appreciate that. |
| 2 | Before I vote I'm just going to say that, |
| 3 | along with Councilman Semenza, this is not |
| 4 | an easy thing to do. I really don't want to |
| 5 | do it. However, the gentleman has been |
| 6 | given enough time. He's been given four |
| 7 | years to do something that he was supposed |
| 8 | to do in six months. So I'm voting yes. |
| 9 | MS. BARTOLETTI: Councilman Rinaldi? |
| 10 | MR. RUSSEL RINALDI: I'm also voting |
| 11 | yes, but I'm going to express why. And not |
| 12 | to make any argument with Councilman Febbo, |
| 13 | but council never overlooked it. We |
| 14 | actually gave him more than enough time. We |
| 15 | kept pretty close watch to it. We helped |
| 16 | him and assisted him as much as we could. |
| 17 | We can't allow him to use one of our |
| 18 | vehicles. We never allowed any of our DPW |
| 19 | employees to use it to take a test. They |
| 20 | either all came into the job with one or |
| 21 | they went and got one afterwards, whether |
| 22 | they borrowed one, rented one or however |
| 23 | they obtained it. They never used ours. |
| 24 | Again, it's a tough decision to |
| 25 | make, but we have it's in our code and |
| | |
| | |

| | | 64 |
|----|---|----|
| 1 | it's in our rules for hiring. All the othe | r |
| 2 | DPW workers have it, all the other ones | |
| 3 | obtained it. I believe we've been more tha | n |
| 4 | fair with him, and definitely in a lengthy, | |
| 5 | lengthy period of time we've give him the | |
| 6 | chance to get it. With that, I vote yes. | |
| 7 | MS. BARTOLETTI: Councilman Semenza | ı? |
| 8 | MR. SEMENZA: Garrett Gleason was | |
| 9 | hired on September 27, 2016. The kid's a | |
| 10 | good worker, a hard worker. He doesn't wan | t |
| 11 | to lose his job, and I'm sure every member | |
| 12 | of council does not want him to lose his jo | b |
| 13 | either. But for four years, like I said, h | е |
| 14 | turned his head on a hiring stipulation tha | t |
| 15 | we enacted in this borough. When the DPW | |
| 16 | men are hired, the hiring goes pass a | |
| 17 | physical, pass a drug test, and obtain a CD | L |
| 18 | license within six months of hiring. We | |
| 19 | have given extensions out, yes, but not fou | r |
| 20 | years. An extra six months and people went | |
| 21 | on. I feel bad about this. I really do. | |
| 22 | But, like I said, my duty as a councilman i | s |
| 23 | to follow our protocol, and I vote yes. | |
| 24 | MR. FEBBO: I don't disagree with | |
| 25 | any of you gentlemen on your votes. Maybe | Ι |
| | | |

do take this personal. I am the head of the 1 2 DPW and I spend time down there getting to 3 know everybody. I do know Garrett personally, as you well know, and his dad 4 5 and everything else. I do know him to be a real good worker. We're not questioning 6 7 that ability of him. 8 But that being said, it does not 9 mean he should not follow the rules and 10 regulations. And again, maybe I'm looking at it from a little personal standpoint of 12 He's an excellent worker. view. Good kid, 13 smart kid. Gives the heads up on what needs 14 to be done down there and so on. 15 But again, I'm looking at it from a 16 point of view that he's a good worker, and 17 you guys are looking at it from the 18 standpoint of view of what is written, our 19 codes and so on, and I respect your 20 decisions as long as you respect my opinion. That's all. 22 MR. SEMENZA: Thank you. Okay. Ιs 23 that it? Anything else? 24 ATTY. RINALDI: You have to approve

a lease termination agreement and approve

| 5 | months starting October 1st, six months from |
| 6 | that date, for Old Forge Hose & Engine, the |
| 7 | ambulance building. |
| 8 | MR. NOTARI: I'll make that motion. |
| 9 | MR. FEBBO: I'll second it. |
| 10 | MR. SEMENZA: Motion by Councilman |
| 11 | Notari, seconded by Councilman Febbo. On |
| 12 | the question? Pickup input? |
| 13 | MR. HOOVER: Shouldn't we just make |
| 14 | it longer? We're going to give it to them |
| 15 | anyway. Make it for the year. |
| 16 | MR. SEMENZA: It's six months. If |
| 17 | we have to extend it we can extend it. |
| 18 | ATTY. RINALDI: It can be extended |
| 19 | month to month no problem. |
| 20 | MR. SEMENZA: Roll call, please. |

| 11 | MR. SEMENZA: Yes. That it? I'm |
| 12 | going to have a brief executive after. I'll |
| 13 | go down the table. Mayor, do you have |
| 14 | anything? |
| 15 | MAYOR LEGG: I have nothing. |
| 16 | MR. FEBBO: No. |
| 17 | MR. NOTARI: Last week I was up at |
| 18 | McDade Park for a work thing, and the |
| 19 | Alliance Landfill donated two rocks to the |
| 20 | McDade Park that they are saying are 350 |
| 21 | million years old. They're fossilized |
| 22 | boulders. They said they found them in the |
| 23 | Taylor-Ransom section. I asked if they |
| 24 | found anything in the Old Forge section |
| 25 | would they share with us, they said they |
| | |
| | |

| | 6 |

| 1 | definitely would. So I'm just looking for |
| 2 | permission to pursue that to either put in |
| 3 | our parks or somewhere. It's pretty neat. |
| 4 | There's fossilized plants and trees into |
| 5 | these rocks. That's it. |
| 6 | MR. SEMENZA: Councilman Lettieri? |
| 7 | MR. LETTIERI: No. |

| 9 | MR. HOOVER: I'm good. |
| 10 | MR. RUSSELL RINALDI: No. |
| 11 | MR. SEMENZA: I have one thing. |
| 12 | After our last meeting me and Councilman |
| 13 | Lettieri went over to Dooley's to get |
| 14 | something to eat and there was Councilman |
| 15 | Notari. So I was thinking you know what |
| 16 | would be a nice idea for council, whoever |
| 17 | else wants? After every meeting we should |
| 18 | patronize one different restaurant after |
| 19 | every meeting. |
| 20 | We're going to have a brief |
| 21 | executive session afterward. At this time |
| 22 | the chair is going to entertain a motion to |
